TEMPORARY LONDON OFFICES. 99 GRESHAM STREET, LONDON, E. C.

This company has been formed for the purpose of acquiring and working the well known and valuable cotton thread business of Mesers. J. & P. Conts, at Paisley, in Scotland, at Pawtucket, Rhodo Island, in the United States of America, and elsewhere, as a going concern. The business was originally founded at Paisley in 1830, and in America in 1842, and was carried on as a private firm till 1884, when it was converted into a private unlimited company, the one of the shares belonging to the Mesers. Coats. It has now attained sub-troportions (having become one of the largest manufacturing concerns in the world), and the presence of its further growth is such that the vendors have determined to convert it into a public company.

raise this year for the county rate \$2,052 25, for schools, \$400, for current expenses \$5,515 16, total \$54,00 41. They have struck the low rate of 32 mills, white it sufficient.

Peterboro' is having a telephone war. A local company with a capital of \$50,000 will local company will also have the benefit of the same will be between 6 and 9, mornings and evenings. The linkretion is to be held at Nilestown this light, and, if necessary, put in instruments for nothing.

The annual interest on \$2,000,000 debenture stock at \$\frac{4}{2}\$ per cent. will require \$20,000. The annual dividend on \$2,000,000 preference shares at 6 per cent. will require \$20,000. A dividend of say 8 per cent. on \$21,750,000 ordinary shares will absorb about \$2140,000. A dividend of say 8 per cent. on \$21,750,000 ordinary shares will absorb about \$2140,000. Together, \$230,000 show that the business is a progressive one, and the will be seen that even for the profits of the exceed the average of the last seven years there will be seen that even say the surplus of \$76,000. The above averages of profits do not exceed the average of the last seven years there will be a surplus of \$76,000. The surplus will not be seen that even go dividends, and should the profits equal or exceed those of available for Reserve Fund or further of the state seven years on an average of available for Reserve Fund or further and the state of \$124,000. Before arriving at the above averages of profits the surplus will not a surplus of \$124,000. Before arriving at the above averages of profits the surplus of the surplus of \$124,000. Before arriving at the above averages of profits the surplus of the seven averages of profits the surplus of \$140,000. Before arriving at the above averages of profits the surplus of \$140,000. The vendors believe that the stock to a surplus of \$140,000. The vendors believe that the stock to be handed over to 100 the profits of the surplus of \$140,000. The vendors believe that the stock to be handed over to 100 the surplus of \$140,000. The vendors believe that will constitute a surplus of \$140,000. The vendors believe that the stock to the vendors believe that the stock to the vendors believe the surplus of the surplus of \$140,000. The vendors believe that the stock to the ordinary trade arrangements with estimates and connections. The vendors for the busin

The agreement for the purchase of the business is dated the 3ist day of July, 1890, and to hade between J. & P. Coats of the first part; James Couts cresiding at Providence, in the inited States of Americal, James Coats, jun., Archibald casts, George Coats (Belleisle, Agreement), James Coats, Jun., Archibald casts, George Coats (Belleisle, Agreement), James Coats, William Alian Coats, George Coats (Gerriand Place, Paisley), Andreworks, Coats, William Hodge Coats, Andreworks, James Coats, William Alian Coats, George Coats, James Coat

As security for the debenture stock, the various heritable properties in Scotland and the shares and other assets in foreign countries will, so far as is consistent with the due conduct of the business and with the laws of those countries, be transferred to the debenture corporation, limited, as trustees for the debenture stockholders upon the terms of trust deed, the form of which, with the form of debenture stock certificate, can be seen at the offices of the solicitors in London and Paisley, and at New York and Montreal as above. The statements in this presents as to the properties and business are made upon the authority of and information furnished by the vendors. If the number of shares or debentures allotted is less than the number applied for, the surplus deposit will be credited in reduction of the amount payable on allotment. It is intended to make early application for a quotation for the shares and debenture stock on the London and Provincial Stock Exchanges.

London, New York and Montreal, August 6, 1880.

young, old, or middle-aged, who find them selves nervous, weak and exhausted, who are broken down from excess or overwork, resulting in many of the foilowing symptoms: Mental depression, premature old age, loss of vitality, loss of memory, bad dreams, dimness of sight, palpitation of the heart, emissio ne, lack of energy, pain in the kidneys, headache, pimples on the face or body, itching or peculiar sensation about the scrotum, wasting of the organs, dizziness, spees before the eyes, twitching of the muncles, eyelids and elsewhere, bashfulness, deposits in the urine, loss of will power, tenderness of the scalp and spine, weak and clear them out. deposits in the urine, loss of will power, tenderness of the scalp and spine, weak and flabby muscles, desire to sleep, failure to be rested by sleep, constipation, dullness of liearing, loss of voice, desire for solitude, excitability of temper, sunken eyes surrounded with LEADEN CHECLE, cily looking skin, etc., all are symptoms of nervous debility that lead to insanity and death unless cured. The spring or vital force having lost its tension every function wanes in consequence. Those who through abuse committed in ignorance may be permanently cured.
