IS THE FINGER BOARD TO WEALTH.

t points out the road clearer than anything else can. There is more money to be made in Real Estate in London, Ont., today than in any other business where the element of risk is entirely eliminated. In a newspaper ad. we could give you but a faint idea of the numerous eligible properties we have to offer, but we will be pleased to haveyou call at the office and we will give you full particulars regarding any property we may have for sale. Two points to remember. First: We have the properties and are se lected with great care for buyers' requirements. Second: We take great pleasure in showing properties and giving information, whether you buy or not. If you get better value elsewhere nothing on our part could laduce you to purchase from us anyway. Preserve Your

The reason why Oriental Rum and Quinine Hair Tonic is far superior to all others is because of its power to promote healthy action in the hair-bulbs; because of its power to deal directly with the very seat of life of the hair. This tonic acts on the roots, giving them the required nourishment, and positively produces luxuriant half.

Many men are failing to secure good positions just because they look "too old," and no one knows how many women have been disappointed in life because they have failed to preserve that attractiveness which so largely depends on the hair.

The tonic is also a dainty dressing for the hair, and a necessary adjunct to every toilet. Only 50 cents bottle. CAIRNCROSS & LAWRENCE,
