LONDON'S ANGLICAN VESTRIES

Reports of Year's Work Were Gates, J. I. A. Hunt, F. W. Farncomb and T. M. Slater. Generally Satisfactory-St. All Sainls' Church.

The vestries of the various Anglican churches of London held their annual meetings last evening, when the work viewed, and officers for the ensuing year were elected. The report in most

St. Paul's Cathedral.

Cathedral, said in his opening address (last evening at the annual meeting of the church vestry that there had been large increase during the year in the number of people attending holy communion. The church debt had decreased by \$1,500, of which \$690 had been left as a bequest by the late Dean Innes, and this was an evidence that the principle of self-denial was on the The speaker strongly advocated that the envelope system be widely used in supplementing the church revenue. The Missionary Soclety's allotment of \$1,129 had been met fully, but other funds, namely those of the widows and orphans and of the diocesan missions had been below the average.

Last year's wardens, Messrs. James Mattinson and C. B. Hunt, were reappointed by the congregation and the rector respectively, and the former was
