CITY AMATEUR LEAGUE GAMES

The results of the eight City League hockey games played in the different rinks Tuesday evening went a long way towards deciding the ultimate winners in the various leagues. As the season is narrowing down some fast contests are being played, and Tuesday night's games were well worth witnessing. The big series at the Westminster Rink was viewed by a large crowd of spectators, the Gaste-Perrin game being the feature contest of the evening, although the St. Andrew's-St. James' game was a close second. In the Presbyterian League, Knox and St. James' were the winners. In the Methodist League, Dundas Centre Juniors and seniors were the winners, while Perrin's and Lawson & Jones won the Manufacturers' League contests. In the Bankers' League the Amalgamated teams battled to a tie, and in the intermediate series of the Methodist League, Dundas Centre left the ice owing to a decision of Referee Percival, which, they claimed, was against them. They will likely lose the game as a result of their conduct

KNOX CHURCH WINS ANOTHER.

St. George's were defeated by the Knox Church team in the first game played at the Westminster Rink by the score of 9 to 0. The game was a little one-sided, the St. George's being without the services of their star man, T. Shortill; they were also handicapped by their goalkeeper, Calhoun, being put out of the game by a shot in the eye, the puck inflicting a nasty wound. Despite this, however, they put up a good game, but the Knox team were too heavy and too fast for them, and at no time was there any doubt as to who would win out.

Both teams travelled fast in the first half, Calhoun being injured shortly after the half began. This had a tendency to slow-up the St. George's team, and after their goalkeeper had been forced to retire, they lost heart. Harry

Lecky made a satisfactory referee. The teams were as follows:

Knox—Goal, Henderson; point, McQueen; cover, Martin; rover, K. Murray; centre, A. Murray; right, Washburn; left, Parks.

St. George's—Goal, Calhoun; point, Smith; cover, Shortil; centre, Nutteemine; left, L. McDoreld; right, Nichels. tycombe; left, L. McDonald; right, Nichols.

ST. JAMES WON A CLOSE CONTEST The second game was a battle royal between St. Andrew's and St. James',

the latter winning out by the close score of 5 to 4, after one of the hardest-fought games played in the Westminster Rink this season. The game started out fast, St. Andrew's scoring two goals in the first few minutes. St. James', however, got going after this and for a time the play was pretty much confined to the centre of the ice. St. Andrew's notched two more just before half time, while St. James' got three, and the half ended with the score 4 to 3 in favor of St. Andrew's.

In the second half, St. James' went about the hard task of getting the lead, and for a time the hockey played was brilliant. Finally they landed the tieing goal, and both teams battled, with the score a tie, until shortly before time, when St. James' notched the winning tally.

For the winners, Walden, McLean and Callahan were very good, while the rest of the team worked hard all the way, and were deserving of the victory. Morrison and McKay were the stars of the St. Andrew's team, while Wardrope, in goal, was just as phenomenal as ever. Harry Lecky's refereeing was a feature.

The team were as follows: St. James—Goal, Gray; point, Wright; cover, Parkinson; rover, Callahan; centre; McLean; right, Walden; left Worrell. St. Andrew's—Goal, Wardrope; point, Wells; cover, Morrison; rover, McKay; centre, Macarthur; right, Ross; left, Slater.

FIRST METHODISTS LOSE AGAIN.

Dundas Centre and First Methodists played the only Methodist League contest at the Westminstr Rink last evening, and after a great the Dundas Centre boys were ahead by 4. It was a great game, and quite a large number of spectators watched it. Both teams were crippled by the loss of some good players, but their places were capably filled, and a fast speed maintained throughout the game. In the last half the First Church boys got the combination working, and might have won the game had they been able to shoot straight. Several times their forward line broke through the Dundas Centre defence, but the great goalkeeping of Trace either prevented a goal, or else the shot was wild. The half-time score was 4 to 1 in favor of the Dundas Centre seven, but in the second half the members of the Alpha Club scored three to their opponents' two, and had there been a few minutes longer to play, they might have won out. Walden played a good game for the losers, while Trace, in goal, Smith at point, and Nelles played well for the winners. The game was playaed with six men a side, owing to the injury received by Armstrong, of the Dundas Centres. tres. Armstrong received the sharp end of somebody's skate in the leg. and he was unable to continue, Brickenden going off to even up. "Hank" Wagner officiated in a manner that was satisfactory to both teams.

The teams lined up as follows: First Church-Goal, Burridge; point, Smith; coverpoint, Brickenden; rover, Little; centre, Hill; left, Patterson; right, Bilbrough, Dundas Centres—Goal, Trace; point, Smith; cover, Copeland; rover, Thorne; centre, Nelles; right, Mitchell; left, Armstrong.

PERRIN'S DEFEATED GASTE'S. The feature contest of the evening at the Westminster Rink was that played between Perrin's and the Jose Gaste team in the Manufacturers' League, the former winning out by the score of 6 to 2. Although Perrin's outclassed the opponents, especially in the last half, the game was fast and clean, and the spectators were kept in a state of excitement all the time. The half-time score was three to one in favor of Perrin's, the first stages of the game being particularly fast. The Perrin team was putting up a great aggressive game, and were shooting on the goal at every opportunity. On the other hand the Baled Havanas were trying to carry the puck right up to the Perrin goal before taking a shot, and in this they lost out. In the second half, the teams battled away for ten minutes without a score. but finally Perrin's notched their "Peck" Carrothers attempted to stop a wide one, and accidentally knocked it in the goal. A minute later Perrin's scored again. This time there was some doubt as to whether the puck had entered . the nets, but the goal umpire claimed it did, and so it was allowed. A few minutes but the goal umpire claimed it did, and so it was allowed. A few minutes later, Perrin's scored again, "Peck" Carruthers, the Gaste goalkeeper, being responsible. Hereafter "Peck" will leave the wide ones alone. Just before time Gaste's shoved in their second goal. Sid Rankin refereed capa-

bly. The teams. Perrins-Goal, Henderson; point, Hyslop; cover, Walker; rover, Knott; centre, Chantler; right, Drinkwater; left, Arthurs.

Gastes-Goal, Carruthers; point, Sweeny; cover, Hier; rover, O'Rourke; centre, Gregory; left, Stephenson; right, Turner.

In the final contest of the evening, Lawson & Jones just managed to win out from the revised edition of the Miller, Limited, team. The score was 3 to 2 at full time, while the half way score was 2 to 0, in favor of the ultimate winners. It was a fast contest all the way through, the the ultimate winners. It was a fast contest all the way through, the iller team coming fast in the second half and almost winning out. The lead obtained in the first half was all that saved the Lawson & Jones team from defeat. Had the Miller team been playing the lineup they presented last evening. In the first games, they would be very much in the running of the league race at present, but as it is now they and the Greene-Swift team will have to drop from the league at the beginning of the second schedule, and let the other four teams fight it out. Lawson & Jones are the winners of the first series, with Perrins second, and the Empire Brass and Gastes following close.
Stanton and Land played well for Lawson & Jones last evening, while

the Miller team performed well, Cowan and Bell being the stars. The teams

BANKERS' GAME A TIE.

In the Bankers' league game at the Princess Rink, the Amalgamated teams battled to a tie, the score remaining three all when the final bell was sounded. The game was a good one at all stages, and both teams played winning hockey. Owing to the delay in starting the game, there was not sufficient time to play off the tie, and so the game will have to be played off Referee "Dough" Morrison was satisfactory. The teams were: No. 1-Agnew, goal; Smith point; Hogg, cover; Manley, rover; Bartlett.

centre: Thorne, left: Werrett, right. No. 2-Milne, goal; Jepson, point; Hamilton, cover; Broley, rover; Slater,

centre; Aiken, left; Dixon, right.

The game was fairly fast in places, but it inclined to be rough. Penney, Askin Street's centre, was put off three times. Aitken, Seltzer and Henry were also given

At half time the score stood 2 to 0 infavor of Dundas Centre, and it looked like another shutout, but in the second half Askin Street notched one.

OAME ENDS IN A ROW.

The game scheduled between the Dundas Street Centre and Hill Street Intermediates progressed as far as the first half, when the score stood 2 to 1 in favor of the latter. At the beginning of the second half Referee Percival made a doubtful decision in favor of Hill Street. As this was not the first time, the spectators flocked out on the ice, and for a time it looked as if there might be a free-for-all fight, but as no person could convince the referee of his mistake, the game remained unfinished. It will be played off at the end of the season

the St. Lawrence section of the Interpro vincial League tonight, when, with only two minutes to play, the latter refused to continue unless a disputed goal were awarded them. The score at the time stood 6 to 5 for Sherbrooke. St. Patricks pressed hard and finally the goal judge raised his hand following a shot. The Irishmen raised a shout of triumph when the score thus seemed tied, but Referee Cooper Smeaton declared that the puck had not entered the nets and over-ruled the goal judge. Thereupon St. Patrick's refused to continue. In the Central section match Victoria: defeated Shamrocks by 5 to 2.
