Slow ice made it impossible to work combinations, and all goals resulted in individual playing. Both teams appeared to have an even break in the game, the puck being played in both territories. Ritchie scored the only SOME GOOD SCORES MADE goal for the visitors. Murray began the scoring in the first four and a half minutes of play, making a beautiful rush from the defence. The first half ended 1 to 1. Morenz was body-checked in boards first half, and did not appear on the ice again; slight in-juries to side. Kenny went into the game. Knight, of Bruce, played a good game at cover for the visitors. The line-up was as follows: American So Western U.

Occasional individual rushes were about the only features of an otherwise featureless game. This ties Preston and Waterloo for the district and a sudden death game will be played.
