WHAT IS GOING ON IN SPORTING CIRCLES THE WORLD OVER.

Little Billy of Brantford—The Proposed Thompson-Sullivan Fight—Buckles in a Sparring Contest—To-Night in Albert

Orillia volunteer infantry company have a rifle match on Tuesday, March 25, at which twelve handsome prizes will be com-

Rowell, Fitzgerald, Noremac, Vint, and Hart have entered for the six days' walking match to begin in New York, April

Burpee Belvea, who had signed with the

Young Layton of Philadelphia, and Dick Wentling of Cleveland, began a sparring contest with gloves at Cleveland on Satur-day night. The police stopped the fight and arrested the principals.

Ninety-nine men started in a five-mile steeplechase given by the South London, Eng., Harriers recently, and W. G. George, scratch, finished eleventh in 29m. 40s. O. W. Davis, with 3m. 35s., won.

George Fulljames is anxious to arrange a fight with Jack Dempsey. He to weigh 124 pounds and Dempsey 133 pounds. The fight to be according to London prize-ring rules, for any sum up to \$1000 a side. At a recent trotting match at Croydon,

Ont., the following animals secured prizes:
Lady May owned by F. Linch, 1st; Young
Ethan owned by E. Hamilton, 2d; Black
Rattler owned by E. R. Williams, 3d. D. Wright of Gravenhurst was fined last

week \$10, inclusive of costs, for having the carcase of a deer in his possession. Much complaint has lately been made of the season in Muskoka. The Shamrocks of Montreal have apointed T. Butler, M. J. I. Quinn and

association in Boston on Saturday Atkinson won the two-handed vault with 7 feet one and three-quarters of an inch. The previous record was 7 feet 2 inches, made by W. R. Whitmore, New York A. C.,

Feb. 21, 1878. The veteran Joe Popp and the heavy weight Jack Stewart of London, Ont., are to have a sparring contest in Albert hall on Friday evening next with blackened gloves. Stewart, who tips the scales at about 185 lbs., will have the advantage both in weight and age, but not in science. Popp is a boxer of the old school, and will undoubtedly show up well. His weight is 160 lbs.

Our Montreal correspondent, reviewing the recent carnival sports, states that the outdoor sports committee measured the path in their rinks 3 feet from the curb, instead of the customary 18 inches. This would make it about 9 ft. 5 in. short on each lap, and about 94 ft. 3 in. short in each mile. These facts help to account each mile. These facts help to account for some of the fast times said to have

H. W Higham, the English bicycle champion, was defeated in San Francisco recently by John S. Prince, the American champion, in a 20-mile race. The time—1 hour, 10 minutes, 1½ seconds—is the fastest on record for that distance. After the race Prince offered to make a match against any trotting horse in the state for \$500 or \$1000 in a 20-mile race.

A wrestling match, Ireland against Japan, will be decided in New York this

Philadelphia for England in May next: F. E. Brewster, E. W. Clark, Sutherland Law, John B. Thayer, J. Allison Scott, David P. Stover, Win. Brocke, jr., all of the University of Pennsylvania and local clubs; J. M. Fox, N. C. Lowrie, Hazen Brown, Howard McNutt, Chas. A. Newhall, Robert S. Newhall of the Young America club. One more player will be added, making fourteen in all.

The Wanderers have just received from the Ariel touring club of London a finely executed photograph of the twelve charter members of that well-known club. The photo is 14x11, and presents a splendid bicycle group. The principal officers, Messrs. Cameron, Keenleysides, Murrhead, Begg, Mountjoy and Kipp, form the central group. The uniform of the Ariels is of grey and black, and is exactly the same as

the Wanderers, with the exception of the stockings, which are grey instead of black.

A special general meeting of the M. C. C. will be held at Lord's ground on April 21, when Lord Harris will propose to amend law 48, and to substitute two laws as follows: I.

If the umpire at the bowler's end be not

satisfied of the absolute fairness of the delivery of any ball he shall call "No ball."

II. The umpire shall take especial care to call "No ball" instantly upon delivery;

"Wide ball" as soon as it shall pass the striker. The laws of cricket as revised by the committee appointed by M. C. C. will

be considered. Harry Gilmore and Sam Bittle are both in good trim for their ten-round sparring contest in Albert hall this evening. Harry will toe the scratch at 133 lbs,, while Bittle Port Perry is building a \$2000 curling and skating rink.

Jake Stwartman, Waubaushene, won the silver medal at the Orillia skating tournament, for speed.

Ten thousand dollars capital has been subscribed for a professional baseball club in St. Paul, Minn.

The Slugging Mania, From a New York Correspondent.
NEW YORK, March 22.—It is not the "fancy" brethren alone who indulge in fisticuffs. Brokers frequently figure in During the recent three days' sale of trotting stock in New York 158 animals were sold, bringing \$52,852, an average of pugilistic bout when their angry passions rise, and many actors are as ready for a Burpee Belyea, who had signed with the Boston baseball reserve team, has become homesick and gone to his home in St. John, N.B.

A paper bat is the latest addition to baseball supplies, to be made of paper pulp, and to be as heavy and dense as the lighter quality of wood.

Wallace Ross thinks there are a dozen oarsmen in America who could beat Geo. Bubear on the level. He, however, regards Bubear as the best oarsman in England.

The national cross-country championship of England was run near Birmingham on March 1, and W. G. George won, doing the distance, said to be eleven miles, in 1h. 4m. 47s. rough-and-tumble as if it were part of

The Colonel. He found Arthur here and employed him as a secretary. Arthur and Mrs. Bailey disappeared at the same time soon after. Bailey subsequently recovered his wife and promised himself to give Arthur a thrashing as soon as he should find him. When he did find him the thrashing was not all on one side. Bailey and arrested the principals.

Ed. Gillman writes to the Cleveland Leader that McLaughlin is willing to wager \$3,000, or any part of it, that he will down Duncan C. Ross at their forthcoming match in Cleveland, March 24.

Limpur Taylor the ald English agreement was not all on one side. Bailey himself got a full share. Another affair of pretty much the same kind happened in the Petroleum Exchange the same day. Broker Fredericks and Broker Halk had been at odds for some time as to which Jimmy Taylor, the old English oarsman, formerly of the Renforth-Taylor four, and subsequently bow of the Taylor-Winship crew, is anxious to get a situation as trainer for a club or college.

Ninety-nine men started in a five-mile thereabouts looking on. Only a few rounds were fought and neither showed any particular skill. The question of superi-ority was decided in favor of Fredericks

and the brokers went right back to business. Quite a number of skirmishes have taken place among the stock exchange brokers from time to time, but no regular brokers from time to time, but no regular ring fight as yet. Now that the oil brokers have set an example in this line, the Wall street boys may take a notion to show that they can do something with the gloves, too, and it is within the possibilities that "slugging matches" will become one of the regular pastimes in the exchange when

The Shamrocks of Montreal have appointed T. Butler, M. J. I. Quinn and John Hoolin to represent them at the approaching national lacrosse convention in this city. They have been instructed to support the two hour system in championship matches.

Waubaushene won the curling match there between that club and the Midland, but what it rejoices in most is the proud knowledge of having hatched out from nest eggs the first spring chickens of the season, and it intends in all matters to keep ahead as usual.

Entries for the Open Cash handicap and the Railway steeplechase handicap, each with purses of \$500, to be run at the Ontario jockey club meeting, close on April 1. Horse owners should govern themselves accordingly. The secretary's address is Box 447, Toronto postoffice.

The proprietor of a New York sporting paper announces that he has received a deposit of \$2500 on behalf of Mervine Thompson for a fight with John L. Sullivan. The offer is to match Thompson against Sullivan in a fair stand-up fight, according to the new rules of the London prize ring, for \$2500 to \$5000 a side and the championship of the world. The fight is to come off four months from sign-

Buckles in a Sparring Contest. CHICAGO, March 22.—The public was invited to witness a four-round glove con test at a shady resort to-night between two local boxers named Tom Anderson and James H. Dalton, and the affair it was announced would be interesting from the fact that some feeling existed between the two men. After a few preliminary passages Dalton struck Anderson several heavy face blows, when the countenance of the latter was shown to be covered with blood from several apparently keep dashes. The police parted the men, and one of them seizing Dalton disclosed the fact that both his gloves were fastened with iron buckles which served their purpose of mutilating the face of Anderson. The contest was not

A Pennsylvania correspondent writes to the Spirit of the Times as follows: "In your issue of Feb. 2 you credit Clear Grit Japan, will be decided in New York this evening by Matsada Sorakichi, the Japanese champion, and Capt. James C. Daly, the Irish champion. The first two bouts will be Japanese style, and the last two catch-as-catch-can style. If this does not decide the contest the men will toss for the selection of the style for deciding the contest.

The following have been finally selected as the cricketing team that will start from Philadelphia for England in May next: F. E. Brewster, E. W. Clark, Sutherland Law, John B. Thayer, J. Allison Scott, David P. Stover, Win. Brocke, jr., all of 2,22 and 2.16½ are very glaring ones."

Two old friends of the Thirty-sixth ward, John Lowrie, an old gentleman, 65 years of age, and Mr. Michael Rodgers, have been accustomed on the anniversaries of St. Patrick's day, and orangeman's day, the 12th of July, to meet each other and have a friendly bowl of punch. This has peen carried on for the last sixteen years been carried on for the last sixteen years by the two gentlemen and has not in one instance been forgotten. Mr. Lowrie and Mr. Rogers came from county Tyrone, in Ireland, and were neighbors, but of different religious views. They renewed the friendship in this country, and made the above compact. This morning Mr. Lowrie called on Mr. Rogers and the two had quite a friendly chat about old times in Ireland. Mr. Lowrie drowned the sham rock with Mr. Rogers, and on the 12th of

"I wish to inform you of the wonderful
results which followed the use of Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophospsites of Lime and Soda. A cough of six months' standing had reduced me to such an extent that I was unable to work. I tried many remedies without effect; at last I used this Emulsion, and before three bottles were used I am glad to say I was restored to perfect health.
