National Lengue Games Vesterday.

Buffalo, N.Y., Sept. 8.—At St. Louis the game with Chicago was the event of the day. Gaffuey was umpire and gave general satisfaction until the eleventh innings had been played. Then the Chicagos displayed their kicking propensities. They claimed it had grown too dark to see the ball, and although it was their turn to bat they refused to come to the plate. Capt. Anson was buildozing the umpire, but the later refused to waste the time and sharply called "p'ay." Kirby, for the St. Louis the wild and sharply called "p'ay." Kirby, for the St. Louis distinguished himself by playing instead of buildozing the umpire in the London-Clipper game on Monday. He made two runs, I base hit, had 4 puts out and 5 assists.

Chamberlin left for Buffalo yesterday. He feels very much the action of his club, and is reported to have said that he would stay here and pitch for nothing during the remainder of the season for the sake of the sake of the season for the sake of the sake but the later refused to weste the time and sharply called "pray." Kirby, for the St. Louis slub, twirled the ball over the plate and Anson marshalled his men off the field. The umpire then gave the game to St. Louis by a score of 9 to 0. Anson will protest this decision. Each club had at the end of eleven innings' play scored one run, and St. Louis undoubtedly had the best of it.

It was only by luck that further accidents were avoided, for after the collision all the visiting and attendant yachts ran up close to the Puritan and the Genesta and several fouls occurred. The judges held a consultation, and after talking to the skippers of the Puritan and the Genesta declared that a start could not be made to day.

When the decision was communicated to the thousands who had come down to witness the contest, the excitement was great.
