The Young women's guild.

The regular meeting of the Y.W.C.G. was held yesterday, Miss Walton presiding. Mrs. Harvie, president, and Miss Banbridge, general secretary, were appointed delegates to the third annual convention of Young Women's Christian Associations of the United States and Canada to be held in Scranton, Pa.

The Building Committee stated that financial arrangements had been made regarding the building in McGill-street, which will be erected at once. It will be 64x115 feet, containing parlor, library, gymnashum, class rooms, offices and a hall capable of holding 800. The cost will be \$25,000.

Arrangements were made for a lecture by Rev. Mr. Lanceley on the subject "Noses," to take place on Thursday evening, 16th inst., in lecture-room of Parliament-street Methodist Church.

Nurse Agnes McIntyre then addressed the meeting on her work amongst the poor, sick and outcast in a most interesting way.

Trashy Literature.

The world moves on, and so does the production of literature. Month after month hew books and publications appear at astonishingly low prices. Lang, Bethany, Ont., writes: "I was one of the greatest sufferers for about fifteen months with a disease of my ear similar to ulcers, causing entire deafness. I tried everything that could be done through medical skill, but without relief. As a last resort, I tried Dr. Thomas' Eclectric Oil. and in ten minutes found relief. I continued using it, and in a short time my ear was cured and hearing completely restored. I have used this wonderful healer successfully in cases of inflammation of the lungs, sore throat, coughs and colds, cuts and bruises, &c., in fact it is our family medicine.

ANDERSON, Ind., April 14.—George Stark, a fireman on the Cincunnati, Wabash & Michigan Railway, died Sunday night in

horrible agony. Excessive use of cigarets caused his death. A short time after his death his body turned a livid green. Physi-cians claim his death was due to arsenical and nicotine poison. Most Intense. Mrs. E. Harwood, 23 Moss Side, Blackburn,

London, Eng., suffered a long time with scute sciatica. The pain was most intense, and she was unable to obtain relief until she applied St. Jacobs Oil four times, when she was completely cured.

Everybody, now and then, feels "run-down," "played out." They've the will, but no power to generate vitality. They're not sick enough to call a doctor, but just too sick to be well. That's where the right kind of a patent medicine comes in, and does for a dollar what the doctor wouldn't do for less than five or ten.

We put in our claim for Dr. Pierce's Golden Medical Discovery. We claim it to be an unequaled remedy to purify the blood and invigorate the liver. We claim it to be lasting in its effects, creating an appetite, purifying the blood, and preventing Bilious, Typhoid and Malarial Fevers, if taken in time. The time to take it is when you first feel the signs of weariness and weakness. The time to take it, on general principles, is NOW.

It's the cheapest blood-purifier, sold through druggists, no matter how many doses are offered for a dollar.

Why? Because it's sold on a peculiar plan, and you only pay for the good you get.
