CURRENT NOTES

IT WILL be well for those who have had Government Income Tax forms sent them, or those who are liable for income assessment, to get busy without delay, and send forward the necessary documents. Proceedings have already been taken against Toronto and Halifax citizens, and Sir Henry Drayton, minister of finance, declares that the Act will be enforced without fear, favor or affections, just as soon as the statutory time has elapsed and default continues. No excuse will be tolerated.

appeared recently in an Ontario weekly and is worthy of being preserved in every family scrap album: "The happiest man in the world is the common, every-day chap, who makes his own living, pays his own bills and has the respect of his neighbors. He saves a little money as he goes along, but doesn't try to get a corner on his local output and he is not a slave to ambition or society. He never expects to wear out his trousers in the senate, and when he glides out of bed in the morning he never wastes any time trying to pick out the right tint of socks, suspenders and necktie that will blend with the general effect."

DON'T stick to money like a burr to a cow's tail, when other people have a legal or moral claim to it. There is an old man down east who rides into town on the rear seat of the trolley so as to hang onto his fare until the last possible minute. There are plenty of men in business just like this old screw, who carry around in their pockets or hold in their banks money that does not belong to them. The man who knowingly keeps money a minute longer than it belongs to him is a rogue. What business have you to compel a man to ask again and again for what is his? By all rights the borrower is servant to the lender and instead of the latter seeking repayment, the borrower should seek him. "Say not unto thy neighbor, go and come again and tomorrow I will give thee, when thou hast it by thee."

THIS WEAK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness."—Mrs. J. WORTLINE, 2842 North Taylor St., Philadelphia Pa.

The majority of mothers nowadays, verily, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, back-ache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Wortline.

Make Your Dreams Come True

Fond parents dream of a bright future for their children.

They dream of the literary and musical education they are going to give their daughter, and of the high position she will take in her sphere of womanhood.

They dream of the education they are going to give their son and vision him some day as a clergyman, a famous lawyer, an eminent physician, a prominent financier, or a captain of industry.

But to make these dreams come true

—or even partly true—requires foresight, planning and money.

To provide the money what plan so wise as to buy Victory Bonds for each child?

Thousands of parents bought Victory Bonds for their children in 1917 and 1918.

Surely you will be among the thousands of loving parents who will buy Victory Bonds for their children—this year?

Victory Bonds may be bought on instalments at such easy terms that every parent who so wishes may buy.

Buy Victory Bonds For Your Children
