At the winding up of the business of the school board for the year 1920, last Tuesday evening, the retiring secretary, Mr. Robert Crawford, completed his 27th year as secretary of the board. During his term in office Mr. Crawford has zealously and faithfully performed his duties. It is well-known that the duties of secretary practically carry the whole responsibility of the management of the school and as we look back over the history of that period we can see his splendid judgment in the careful selection of teachers who have taught during his regime. To commemorate the event his fellow members treated him to an oyster supper and a very enjoyable time was spent. At the first meeting of the new board Mr. Hugh Johnson was elected chairman and Mr. Philip Austin secretary-treasurer.

FARMING EXTENSIONS
The judicious use of credit in farming operations is a valuable aid to progress. The Sterling Bank is always prepared to discuss applications for credit based on a sound proposition to increase production.
See our Manager. Discuss your plans for next season with him. Get his advice on any financial or investment matters you are considering. Let him show you how the Sterling Bank has incorporated personal service into Banking transactions—with better results to all.

Banking by Mail
Those living at a distance can do their Banking By Mail just as safely and conveniently as though done in person. Many Farmers save themselves special trips to town by adopting our system of Banking By Mail. The Manager will explain this helpful plan. Write or see him, the next time you are in town.

The February meeting to be held on Thursday, Feb. 3rd at the home of Mrs. Angus McKenzie.

WINTER WEATHER
HARD ON LITTLE ONES
Our Canadian winters are exceedingly hard on the health of little ones. The weather is often so severe that the mother cannot take the little one out for an airing. The consequence is that baby is confined to overheated, badly ventilated rooms; takes cold and becomes cross and peevish. Baby's Own Tablets should be given to keep the little one healthy. They are a mild laxative which regulate the stomach and bowels and thus prevent colds. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
