| <ul style="list-style-type: none"> 1st. Being light to run. 2nd. Simple to learn. 3rd. Making little noise. 4th. Parts liable to rust nickled. 5th. Beautifully finished. 6th. Furnished with castors to facilitate in moving. 7th. Full sets of Silver Plated Attachments. 8th. Does not get out of order. 9th. Does the best work. 10th. Driving wheel on outside, so that ladies dress is not soiled in using machine. 11th. Loose wheel in filling the bobbins, thereby saving much wear to machine. 12th. Having an Automatic Bobbin Winder, whereby the bobbins are much nicer, and much more easily filled, (being filled as smooth and even as a spool of thread) than can be done in the old way of holding the thread in hand &c., (it doing the work itself) and also causing the bobbin to hold about twice the quantity of thread. 13th. It is the best made machine. | <ul style="list-style-type: none"> 14th. Has self setting needle. 15th. Is the most durable. 16th. The Improved Raymond is sold by Miller Brothers \$10 less than is asked by Agents for an inferior machine. 17th. Miller Brothers give longer and better terms for payment than any one else. 18th. First class Repair Shop kept by Miller Bros. in connection with their several offices. 19th. Miller Brothers keep all kinds of Sewing Machines in stock, (having about 20 different kinds, American and Canadian), and if after trying the Improved Raymond it does not give perfect satisfaction can and will exchange for any other kind. 20th. The highest price allowed for old machines taken in exchange; and Miller Brothers would say to their many thousand customers, who have had machines from them in the past twelve years, that if they wish to exchange their old machines, we will allow them more than any one else. |
