The Empire Liniment Mrs. Co.,
Bridgetown, N. S.

Bear Sirs.—I feel it my duty to tell you of the benefit I derived from the use of Empire Liniment. For three months I was at the point of death with pain in my limbs and feet. I suffered such pain. I had the doctors attending me, but they all gave me up. Mr. L. Livingstone, agent for Empire Liniment, came to our house and mother bought a bottle of liniment from him, as he said it was good for swollen limbs, and it helped me so much that mother bought eight bottles more, and it has made a complete cure of me. Empire Liniment is so good we would not think of keeping house without it. I take great pleasure in recommending Empire Liniment to everybody that has swollen limbs or pain in any part of the body.
