We clip the following from a recent issue of the Halifax Morning Chronicle:

MARRIED.
Porter—Bent.
The marriage of Miss Marion Elizabeth Bent, daughter of Mr. and Mrs. H. E. Bent, of Tupperville, and Mr. Hugh G. Porter, of Woodville, took place at the home of the bride's parents on Wednesday morning, July twenty-third at ten o'clock, Rev. J. H. Freestone officiating.

The bride was charmingly gowned in white satin with pearl trimmings, and wore a veil. She carried a shower bouquet of white carnations, pink bridal roses and maiden hair ferns.

She entered the room on the arm of her father to the strains of the wedding march, played by her cousin.

Mrs. Al. Inglis and took her place beside the groom under a beautiful arch of ferns and moss roses. She was attended by her sister, Miss Edith Bent, whose gown was of powder blue all over lace.

The gifts were both numerous and costly, including silver, cut glass, china and checks from the parents of both bride and groom.

The groom's gift to the bride was a wrist watch and to the bridesmaid and organist, each a bar pin.

Local Happenings
The Junior C. G. I. T. girls of the Baptist church enjoyed a weeks outing at Hampton. They were accompanied by their leader Miss H. Griffin.

The Monitor joins with his many friends, here and elsewhere, in congratulating Mr. Keith B. Ewan of this town, in passing the final examinations of the Nova Scotia Institute of Chartered Accountants. We trust that now that Mr. Ewan has joined the ranks of the professional accountants he will not remove from our town.

The Grade XI candidates who were scholars at Bridgetown High School were very successful this year in their examinations. We cannot give aggregates this week on account of difficulty in getting in touch with candidates but understand that eleven out of fourteen were successful. Ralph Henson led with the splendid aggregate of 737. We expect to give full details in next issue.

We are in receipt of several sprays of apple blossoms from Mr. David Shipp of Dalhousie.

The fire department was called out early Saturday afternoon to attend a blaze at the house of Mrs. Cunningham, caused by a spark lodging in the roof. They reduced the flame but not before a hole of considerable size had been burned in the roof. We understand that the loss was covered by insurance.

This afternoon at five o'clock the Bridgetown Junior team play Digby on the Bridgetown grounds. A good game is expected. Let everybody turn out and give the boys support. They are putting up good ball and the games are well worth the admission charged.

Mrs. E. A. Cochrane has returned from Ottawa, where she was the guest of her daughter, Mrs. M. B. Davis.

CARD OF THANKS.
We wish to acknowledge with sincere thanks, all expressions of sympathy in our recent great sorrow.

OBITUARY.
Rev. R. O. Armstrong.

A wire was received on Tuesday morning by Dr. M. E. Armstrong conveying the sad intelligence of the death of his brother, Rev. Rupert O. Armstrong at Hartney, Manitoba, on the evening of the 28th.

Rev. Mr. Armstrong was a member of the Manitoba Methodist Conference having removed there from Nova Scotia in 1905. For several years he was Secretary of the Manitoba Sunday School Association, but in 1929 returned to active circuit work, and had removed to a new field Hartney, a few weeks ago, and was suddenly taken seriously ill the same week with heart disease from which he succumbed on Monday.

Rev. R. O. Armstrong was a native of North Kingston, Kings Co., N. S., and received his college training at Mount Allison University when he received his B. A., and later his M. A. degree and in 1891 was ordained to the ministry in the Nova Scotia Conference where he labored for some years until his removal to the West in both of which Conferences he has labored faithfully and successfully until stricken down suddenly in the midst of his labors.

The deceased is survived by three brothers, Rt. Hon. E. H. Armstrong, Premier of Nova Scotia, Dr. M. E. Armstrong of this town and A. O. Armstrong of Cambridge, Mass., and by one sister, Mrs. W. C. Hatfield, of Parrsboro. He also leaves a widow, nee Annie Burke a native of Ingonish and sister of Councillor Sidney Burke of that place.

He also leaves six children, Ernest, Edward, Charles, Louisa, Jean and Ruth, most of whom are taking a college course.

Besides pastoral cares Mr. Armstrong did considerable literary work writing particularly for the Sunday School Periodicals and at various times contributed to the secular press series of articles. In 1922 he was invited to visit his native Province to preach a Centennial service in the United Church at Bridgetown on the occasion of the hundredth anniversary of the founding of the town. His effort at that time was of a high order and much appreciated. The deceased received his earlier education in Bridgetown and was a pupil of Mr. A. D. Brown, then Principal of the

BELLEISLE.

Mr. and Mrs. Abner D. Troop and son Walter spent Sunday at the home of Mrs. Ella B. Bent, Tupperville.

Mrs. (Dr.) Fletcher Longley, of St. John, is visiting at Dr. Longley's old home here.

Mrs. Lucy Graham's two daughters are visiting their relatives here.

The Mrs. Greens (nee Reta and Evelyn McGillivray) have been visiting Mr. and Mrs. W. C. Woodward this last week.

Mr. and Mrs. LeRoy Bent and son, also his mother, Mrs. Alice Bent, spent Sunday in Tupperville.

Bettie McLean, of Bridgetown, has been a recent guest of her grandparents, Mr. and Mrs. R. L. Dodge.

High School. Later he taught at Centrelea, and Deep Brook and his first pastoral work was done at Ingonish. He also held pastorates at Mulgrave, Newport and Weymouth when he rendered splendid service.

In 1913 he made a visit to Europe visiting England, Scotland and the continent in connection with the Canadian Teachers Association. He treated conditions in Europe very interestingly in a series of letters to the Canadian Press.

His death at the comparatively early age of 53 is generally regretted by hosts of friends. The funeral takes place in Winnipeg on Thursday.

To the People of This Vicinity
Special notice to those suffering from Defective Vision: I am pleased to be able to inform all those in this vicinity who may need my professional services that I will be here for the purposes of Consultation and Fitting Glasses. I will as far as possible visit each home.

If your eyes bother you in any way I would suggest that you have them looked after as delay may bring on serious results. If you wish to see me at once phone or write to the Elm House, Lawrencetown.

LET ME SEE YOUR EYES
If you are trouble with headaches;
If an hour's reading makes your eyes ache;
If printed matter occasionally "goes misty";
If you are obliged to stop work periodically to rest your eyes a few moments;
If you find it easier to read nearer than the normal 12 inches, or further away than this;
If you cannot recognize people across the street;
If you have to make an effort to see clearly—knitting the brows for example;
If bright light gives you pain in the eyes or if you require more light than hitherto;
If you have any of these difficulties let me see your eyes so that you may learn definitely whether glasses have become necessary. GLASSES PRESCRIBED ONLY IF FOUND NECESSARY.

For finest silks, or coarsest woolsens

Laundry that makes clothing money go farther

Your sheer, lovely things—crepe, fine silks, lace—will be found to wear much longer, laundered this way. Perhaps as much as 50%. And your clothing money buys just that much more. For these snowy-white, crinkly flakes of purest soap do not harm the most fragile fabrics. If anything, they brighten and renew delicate colors. The foamy suds contain nothing injurious. But it gently dissolves and removes all dirt and soil.

PALMOLIVE PRINCESS SOAP FLAKES are used by thousands of women—for all washing and household purposes. They really cost no more than the most ordinary soaps—for they are nothing but pure soap, and so go much farther. Use them in the washing machine, for the small hand-wash, wherever you need soap. In handy one-pound packages. Ask your dealer for them today.
