PROPHETIC AND APOSTOLIC.

BY THE  
REV. JAMES STALKER, D.D.,  
Author of "Imago Christi," "Life of Christ," etc., etc.

**CLOTH, \$1.50**

"Dr. Stalker has forsaken the beaten track and struck out on a fresh line of his own. Starting with the idea that the ministry of to-day stands in need of a revival of spiritual power, he goes back to the origins of preaching in the ministry of prophets and apostles, and institutes a searching inquiry into the sources from which they derived their strength. He applies the results thus obtained to the needs of our own time, and weaves in maxims and observations derived from his experience as a pastor."

NEW EDITION NOW READY.

In "A King of Tyre" we live and move amid old ideas, old superstitions, and an extinct civilization. But this vanished order of things the author has pierced to the core, and laid bare the human heart that animates it all. When we say that his tale is interesting, that it is satisfying, that it is dramatically conclusive, we give it high praise, yet we give it deliberately, and are convinced that the opinion of all intelligent readers will confirm the verdict.—*Churchman, N. Y.*

Vivid with the richness of Oriental habits and customs, and the weird accompaniments of pagan worship, this tale of the times after the return of the Hebrews to their own land, will hold the attention of the reader with unflagging interest. Its development shows marked ability and skill. There is an historical basis to the story which gives it additional attraction.—*Living Church, Chicago.*

Will enhance the reputation of the author, and can be welcomed as not only a novel of absorbing interest, but a faithful study and portraiture of an eventful historical period.—*Christian Intelligencer, N. Y.*

The ideal book for Sunday-school libraries.—*Dr. HENRY M. FIELD, in the Evangelist, N. Y.*
