

A tea-kettle of hot water

Gives enough hot water
to do the entire wash when
SURPRISE SOAP is used.

There's no wash boiler
required.

There's none of that hot
steam about the house on wash day.

This is a simple easy way of washing the clothes
without boiling or scalding them. It gives the sweetest,
cleanest clothes, and the whitest.

SURPRISE SOAP does it.

HEALTH AND HOUSEHOLD HINTS.

After a dusty walk or drive, a silk gown should be carefully wiped with a piece of flannel or velvet before hanging away.

"Laplands."—To five eggs, whites and yolks beaten separately, add a pint of rich cream, and a pint of flour. Bake quickly in small tins.

When making custard, cream, cocoanut, pumpkin or lemon pies, either bake the crust slightly before filling with the pie mixture, or wash it over with the white of an egg. You will then have no more sodden undercrusts.

Fried Celery.—Trim and thoroughly clean the celery, and cut it into pieces about three inches long. Have ready a thin batter, dip the celery into it, and fry in plenty of butter or cottolene, till a golden brown. Serve very hot, with a garniture of parsley.

If you have any trouble in securing perfect cleanliness about the kitchen sink and drain-pipe, have a little concentrated lye sprinkled over the strainer every night. Some of it, of course, washes its way into the pipe, and there unites with the grease and forms strong softsoap. As soon as there is boiling water in the morning, have the maid pour a gallon of it down the pipe. This will cleanse it thoroughly.

Apple-foam.—Pare and core six common-sized apples; steam them soft and cool. Beat the whites of three eggs and one cupful of sugar with the apple nearly an hour till as light as possible, stir into the yolks one half cup of sugar and add to one-half pint of scalding milk. Put the foam in a dish and pour the custard on it.

The Way Southern Cooks Prepare Rice.—Wash a pint of rice in two waters, pour over it two quarts of boiling water, add even teaspoonful of salt, cover closely and set over the fire, stirring it often, boil fast twenty minutes; pour off the water, cover closely and set on the back of the stove to steam, half an hour or more, tossing it often with a silver fork. When done each grain will be soft but whole and perfect. Serve with roast poultry.

Rice Muffins.—Look over and wash half a cupful of rice in several waters, cover with cold water and cook very soft; when cold, add one and a half pints of sifted flour, half a cupful of butter which is soft, but not melted, half a teaspoonful of salt, beat four eggs very light and stir into the mixture, then add a quart or less of sweet milk; if the quart of milk will make the batter too thin, do not use it all; dip into muffin rings and bake quickly, send to the table hot.

Don't sweep—or allow your domestic to—with the broom in front of you, as though you were shoveling the carpet. As sure as you do, the dust will rise to the ceiling, and you will dig the nap from the carpet and shovel it up in the dust pan. More carpets are worn out by hard sweeping than by regular "wear and tear." Sweep the downward, regular stroke, keeping the dust under the broom. Wring out a house cloth or mop in soda water and wipe over your carpet after the dust has settled, and see how clean and bright it will look.

Cause and Effect.

Coughs and colds are the cause, if neglected, of consumption. It is therefore much better to cure them at once by the use of Hagyard's Pectoral Balsam, the safe, sure and reliable remedy for all diseases of the throat and lungs.

The House of Commons has met eleven times on Sunday, in an emergency. The first time was in the reign of Edward III; the last on the death of George II.

A Friend in Need.

A friend in need is secured by everyone who keeps a bottle of Hagyard's Yellow Oil at hand for use against accidental sprains, bruises, cuts, burns or any inflammatory pain, such as rheumatism, quinsy, sore throat, etc.

The Imperial eagle, the largest of the species known, flies to a height of from 10,000 to 15,000 feet. It is a native of South America, and its habitation is among the lofty mountains of that country.

The Red River.

The red river of life is the blood, like other rivers it sometimes becomes impure, but unlike other rivers it only needs Burdock Blood Bitters to perfectly purify it and remove all its disorders from a common pimple to the worst scrofulous sore.

Ask for Minard's and take no other.
