The standard blood-purifier, strength builder and nerve helper is Hood's Sarsaparilla. Insist upon Hood's, because Hood's CURES.

Cheerfulness is like money well expended in charity; the more we dispense of it, the greater our possession.—Victor Hugo.

#### A CURE FOR HEADACHE.

Headache arises from constipation, bad blood, dyspepsia, or liver complaint. As B. P. B. cures all these complaints, it is naturally the most successful headache cure existing. Once the cause is removed, the headache vanishes.

The more independent of accidents, the more self-subsistent, the more fraught with internal resources, the greater the character—Lavater.

Medicine for? Because you are sick and want to get well, or because you wish to prevent illness. Then remember that Hood's Sarsaparilla CURES all diseases caused by impure blood and debility of the system. It is not what its proprietors say but what Hood's Sarsaparilla DOES, that tells the story of its merit. Be sure to get Hood's, and only Hood's.

The number of materials out of which paper is made is gradually increasing. F. Hickman, of St. Paul Park, Minn., has been working up flax-straw into pulp successfully, and he is enlarging his plant this year. In Minnesota and the Dakotas there are 1,800,000 tons of flax-straw going to waste every year, some of which might be used in this way.

#### THE FOUR CARDINAL POINTS.

The four cardinal points of health are the stomach, liver, bowels and blood. Wrong action in any of these produces disease. Burdock Blood Bitters acts upon the four cardinal points of health at one and the same time, to regulate, strengthen and purify, thus preserving health, and removing disease.

The drinking of salt water is said to be a perfect cure for sea-sickness, though it makes the drinker very miserable for a few minutes after he takes the cure.

#### OFT IN PERIL.

Lives of children are often endangered by sudden and violent attacks of cholera, cholera morbus, diarrhoea, dysentery, and bowel complaints. A reasonable and certain precaution is to keep Dr. Fowler's Extract of Wild Strawberry always at hand.

Oppose kindness to perverseness. The heavy sword will not cut soft silk; by using sweet words and gentleness you may lead an elephant with a hair.—Saadi.

The prosperity of a country depends, not on the abundance of its revenues, nor on the strength of its fortifications, nor on the beauty of its public buildings; but it consists in the number of its cultivated citizens, in its men of education, enlightenment and character.—Luther.

#### UNBEARABLE AGONY.

For three days I suffered severely from summer complaint, nothing gave me relief, and I kept getting worse, until the pain was almost unbearable, but after I had taken the first dose of Dr. Fowler's Extract of Wild Strawberry, I found great relief, and it did not fail to cure me.

If you wish success in life make Perseverance your bosom friend. Experience your wise counsellor. Caution your elder brother, and Hope your guardian genius.—Addison.

#### DYSPEPSIA CURED.

Gentlemen,—I was troubled with dyspepsia for about four years. I noticed an advertisement of Burdock Blood Bitters, so I started to use it and soon found that there was nothing to equal it. It took just three bottles to effect a perfect cure in my case.

Bert. J. Reid, Wingham, Ont.

To be able under all circumstances to practice five things constitutes perfect virtue. These five are gravity, generosity of soul, sincerity, earnestness and kindness.—Confucius.

The sponge is an animal. It will shrink from the hand which tries to seize it, and, if viewed under a lens, may be seen constantly drawing in water through the innumerable canals which form its digestive organs, and having consumed the minute animalculæ in the fluid, ejecting it again through some other channel.

## Saved Her Life.

Mrs. C. J. WOODBRIDGE, of Wortham, Texas, saved the life of her child by the use of Ayer's Cherry Pectoral.

"One of my children had Croup. The case was attended by our physician, and was supposed to be well under control. One night I was startled by the child's hard breathing, and on going to it found it strangled. It had nearly ceased to breathe. Realizing that the child's alarming condition had become possible in spite of the medicines given, I reasoned that such remedies would be of no avail. Having part of a bottle of Ayer's Cherry Pectoral in the house, I gave the child three doses, at short intervals, and anxiously waited results. From the moment the Pectoral was given, the child's breathing grew easier, and, in a short time, she was sleeping quietly and breathing naturally. The child is alive and well to-day, and I do not hesitate to say that Ayer's Cherry Pectoral saved her life."
