REPUBLIC ADVANCES ON GOOD BUYING—VIRTUE QUIET—WAR EAGLE LOWER — DEER TRAIL STEADY.

Montreal, April 9.

The interest of this morning's trading centred in Republic which was both active and strong, 5,000 shares changed hands at prices varying from 110 when it first opened to 111½, which was the highest figure, finally reacting to 109½, where it closed. The closing quotations were from 110 to 108½.

Virtue was a trifle stronger and sold at 112½. This is a gain of 1½ per cent. since Saturday's sales, 2000 shares sold at 124 on future delivery; 112 was freely bid during the board hours.

Although work has been resumed on the War Eagle on Centr. Star properties it will require at least three months of development work in order to open enough new ground to justify the resumption of shipments. The stock was offered at 158½.

The bad waggon roads are causing great inconvenience to the Republic miners. Work on the Republic has gone on at such a pace that the men will have to be laid off for a time until the new mill is installed.

The new 10-drill compressor is now in operation on the California and is working satisfactorily. 10 was freely bid today, the stock being offered at 10½.

Deer Trail sold at 10 cts, which is unchanged in price. Sellers were firm round that price.

Montreal-London was a trifle firmer at 31, 1000 shares changing hands.

North Star, although not active, sold at 120½.

Montreal-Oregon continues to be in good demand at 31c.
