

The body of Mr. Mason, of St. Margaret's Bay, was found frozen to death on Thursday the 8th inst. It appears he was driving a young unbroken horse in a sled, on the evening previous, and it is supposed the animal slid while passing a bridge, and precipitated him into the water. He was found on his hands and knees, the knees of his trousers and his mittens were worn through, apparently from the exertions he must have made to extricate himself from his horrible situation.

The Official Report of the Executive Committee of the Nova Scotia Industrial Exhibition, has just been published, and is ready for delivery to all Exhibitors.

Holloway's Pills, a certain Remedy for Female Complaints.—The invigorating and purifying properties of these invaluable Pills, render them safe and infallible. They may be taken by females of all ages, who are suffering from any derangement of the system, to which their sex is peculiarly subject, preventing those distressing diseases which frequently occur (from intemperance) at the turn of life.
