

Low Price Does Not Always Insure Economy

There are plenty of preparations of Cascara on the market at about half the price of Kasagra. But comparative value from dosage required as a LAXATIVE shows Kasagra more economical.

No other palatable preparation of Cascara Bark compares with Kasagra as a

Tonic Laxative

But most important of all, Kasagra never varies, either in purity or potency.

Kasagra is the most economical as well as the most reliable preparation of Cascara on the market.
