2.—Grand fellowship our aim,
 We're brothers one and all.
 So swift we start with eager heart
 When charity makes a call,
 Just like our Patron Saint,
 We follow on his plan,
 To do good to humanity
 And help our fellow man.

3.—So while the world goes round
 We keep in friendship's track
 And look ahead with steady tread,
 From charity ne'er turn back
 The goal is happiness
 Endeavor to do right,
 There's a vacant place for every face,
 Of each St. Patrick Knight.
