

NEWS AND NOTES.

Catarrh—A New Treatment.

Perhaps the most extraordinary success that has been achieved in modern science has been attained by the Dixon treatment for catarrh. Out of 200 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefitted, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure catarrh in this manner, and no other treatment has ever cured catarrh. The application of the remedy is simple, and can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street West, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—*Montreal Star.*

"Well, to tell the truth, papa, I did not think much of the close of the sermon," said a fashionable young lady. Probably you were thinking more of the clothes of the congregation," replied her father.

Mrs. Uriah Johnson, River Hurbert, writes:—"Minard's Liniment cured me of a very sore nose, and also inflammation in the eyes; it is the cure-all and I believe it is the best inflammation allayer and pain killer in the world. It sells every day.

Isn't it pretty nearly time to pension the men who thought of going to the war?

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

The waters of a watering place are to do a man good if he omits the liquors.

I sprained my leg so badly that I had to be driven home in a carriage. I immediately applied Minard's Liniment freely and in 48 hours could use my leg again as well as ever.—JOSHUA WYNAUGHT, Bridgewater, N.S.

OUR NATIONAL FOODS, a notice of which will be found in our advertising columns, are said to be of great merit in laying the foundation of a strong muscular development, as well as brain and nervous vitality. The cereals are treated in the light of all the scientific progress of the day. For systems run down with dyspepsia and affections of the digestive organs, they are a great boon.
