CONSUMPTION CURED.

AN old physician, retired from practice, had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints. Having tested its wonderful curative powers in thousands of cases, and desiring to relieve human suffering, I will send free of charge to all who wish it, this recipe in German, French or English, with full directions for preparing and using. Sent by mail, by addressing, with stamp, naming this paper, W. A. NOYES, 820 Powers' Block, Rochester, N. Y.

GRIP'S ALMANAC FOR '91.

SOME of our readers have not yet possessed themselves of copies of this, the latest issue of GRIP's celebrated annual. Thus they have up to date deprived themselves of a literary and artistic feast which would only cost them 10 cents apiece. The Almanac this year is, in the opinion of many, the best of the twelve issued. It is full of bright original fun and capital pictures. The double-page cartoon is a very amusing burlesque of Meissonier's celebrated painting 1807, in which are introduced caricatures of a great number of Canadian public men. The chronological tables are immensely funny, and in fact the entire contents are good. A few copies yet remain unsold, and we would advise our friends to send the price to the publishers without delay and secure copies before the supply is exhausted. Send now.
