Drink Drink! Drink! St. Leon.

As a preventive of Typhoid Fever drink St. Leon Mineral Water. We have for this fair city of ours one of the worst water supplies, as far as the quality of the water goes, in the Province. According to the press, it is down below second quality. Why drink this horrid stuff when you can get St. Leon Water for 30c. per gallon, or 25c. per gallon if you take four gallons, and we will send it to your house for that. Mr. M. A. Thomas is now down at the hotel at the Springs, and has everything ready, and expects to do a rushing business this summer.
