PROSPECTUS FOR 1874.—SEVENTH YEAR "THE ALDINE," An Illustrated Monthly Journal, Universally Admired to be the Handsomest Periodical in the World.

NOT FOR SALE IN BOOK OR NEWS STORES. THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals.

To fully realize the wonderful work which THE ALDINE is doing for the cause of art culture in America, it is only necessary to consider the cost to the people of any other decent representations of the productions of great painters.

In addition to designs by the members of the National Academy, and other noted American artists, THE ALDINE will reproduce examples of the best foreign masters, selected with a view to the highest artistic success and greatest general interest.

The Christmas issue for 1874 will contain special designs appropriate to the season, by our best artists, and will surpass in attractions any of its predecessors.

THE ALDINE will, hereafter, be obtainable only by subscription. There will be no reduced or club rates; cash for subscriptions must be sent to the publishers direct, or handed to the local canvasser, without responsibility to the publishers, except in cases where the certificate is given bearing the fac-simile signature of JAMES SUTTON & Co.

CANVASSERS WANTED. Any person wishing to act permanently as a local canvasser will receive full and prompt information by applying to JAMES SUTTON & Co., Publishers, 88 MAIDEN LANE, NEW YORK.
