DR. J. O. ORR,

337 Jarvis Street, TORONTO

Begs to announce to the Profession that
 he has started a Laboratory for the

BACTERIOLOGICAL EXAMINATION OF SPUTUM

GEORGETOWN UNIVERSITY.—MEDICAL DEPARTMENT.—Forty-fifth Session opens October 1, 1895, and will continue seven months. Instruction is given by lectures, recitations, clinical teaching, and practical demonstrations. In the subjects of Anatomy, Chemistry, Physiology, Hygiene, Histology, Pathology and Bacteriology special practical instruction is given in well-equipped laboratories. The Government Museums are open to students. Excellent and ample clinical facilities are furnished. For annual announcement address the Dean,

G. L. MAGRUDER, M.D.,
 815 Vermont Ave., Washington, D.C.

WHEELER'S TISSUE PHOSPHATES.

WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALISAYA. A Nerve Food and Nutritive Tonic for the treatment of Consumption, Bronchitis, Scrofula, and all forms of Nervous Debility. This elegant preparation combines in an agreeable Aromatic Cordial, *acceptable to the most irritable conditions of the stomach:* Bone Calcium Phosphate $\text{Ca}_2 \text{PO}_4$, Sodium Phosphate $\text{Na}_2 \text{HPO}_4$, Ferrous Phosphate $\text{Fe}_3 \text{PO}_4$, Trihydrogen Phosphate $\text{H}_3 \text{PO}_4$, and the Active Principles of Calisaya and Wild Cherry.

The special indication of this combination of Phosphates in Spinal Affections, Caries, Necrosis, Ununited Fractures, Marasmus, Poorly Developed Children, Retarded Dentition, Alcohol, Opium, Tobacco Habits, Gestation and Lactation, to promote Developments, etc., and as a *physiological restorative* in Sexual Debility, and all used-up conditions of the Nervous System, should receive the careful attention of good therapeutists.

NOTABLE PROPERTIES. As reliable in Dyspepsia as Quinine in Ague. Secures the largest percentage of benefit in Consumption and all Wasting Diseases by *determining the perfect digestion and assimilation of food.* When using it, Cod Liver Oil may be taken without repugnance. It renders success possible in treating chronic diseases of Women and Children, who take it with pleasure for prolonged periods, a factor essential to maintain the good will of the patient. Being a Tissue Constructive, it is the best *general utility compound* for Chronic Restorative purposes we have, no mischievous effects resulting from exhibiting it in any possible morbid condition of the system. When Strychnia is desirable, use the following:—

R. Wheeler's Tissue Phosphates, one bottle; Liquor Strychniaë, half fluid drachm.

M. In Dyspepsia with Constipation, all forms of Nerve Prostration and constitutions of *low vitality.*

DOSE.—For an adult, one tablespoonful three times a day, after eating; from seven to twelve years of age, one dessertspoonful; from two to seven, one teaspoonful. For infants, from five to twenty drops, according to age.

Prepared at the Chemical Laboratory **T. B. WHEELER, M.D.,** Montreal, Canada.

Put up in pound bottles, and sold by all Druggists at One Dollar
