

Architects and Builders

who are desirous of ensuring the most Economical and Efficient Results to their patrons are respectfully requested to look into the Merits of our.....

New Hot Water

...THE...
"PRESTON"

HOT WATER
HEATER

Heating System

The PRESTON BOILER and
our PATENT STEEL HOT
WATER RADIATORS are
rapidly controlling the Hot Water
trade wherever introduced.

Our customers tell us we have
the "RIGHT THING" in
Hot Water Heating.

RESULTS: More Efficient Heating with
Smaller Fuel Consumption.
