

conspicuous and exemplary in Catholic journalists. For journals, naturally circulating far and wide, come daily into the hands of everybody, and exert no small influence upon the opinions and morals of the multitude.

We have ourselves on frequent occasions laid down many rules respecting the duties of a good writer, many of which were unanimously inculcated as well by the third council of Baltimore as by the Archbishops in their meeting at Chicago in the year 1853. Let Catholic writers, therefore, bear impressed upon their minds our teachings and yours on this point; and let them resolve that their entire method of writing shall be thereby guided if they indeed desire, as they ought to desire, to discharge their duty well.

In conclusion the encyclical speaks of those who dissent in matters of faith, and hopes that they will be at length restored to the embrace of the Church. The Pope refers to the Indians and negroes as offering a wide field for cultivation. The encyclical closes as follows: Meanwhile, as a presage of heavenly grace and a testimony of your benevolence, we most lovingly in the Lord impart to you, venerable brethren, and to your clergy and people, our apostolic benediction.

Given at Rome, near St. Peter's, on the sixth day of January, the Epiphany of the Lord, in the year one thousand eight hundred and ninety-five, the seventeenth of our pontificate.

Rheumatism and Dyspepsia.

Combination of Troubles Which Made Life Miserable.

Mr. Eli Joyce relates His Experience With These Troubles—Could Not Retain Food and was Thought to be Beyond Hope of Cure—But Relief Came and He is Now a Well Man.

From the Coaticook, Que., Observer.

The readers of the Observer have become familiar with the remarkable cures effected by the use of Dr. Williams' Pink Pills for Pale People through their recital in these columns, as taken from other reputable newspapers. It is now our purpose to tell them of a cure, hardly short of miraculous, which was effected on a person with whom many of our readers are acquainted. We refer to Mr. Eli Joyce, formerly of Dixville, but now living at Averil, Vt. A few days ago we saw Mr. Joyce and asked him about his recovery. He stated that for four or five years he had been afflicted with rheumatism and dyspepsia. He was laid up and unable to do anything on an average four months in a year, and was constantly growing worse, although treated by good physicians and trying numerous remedies recommended. A year ago last August he was taken seriously ill while at his sister's, Mrs. Dolloff of Dixville. He could not retain anything on his stomach and the physicians who attended him were powerless in improving his condition. One of them stated that he had cancer of the stomach and could not live long. It was while in this precarious condition that he determined to try Dr. Williams' Pink Pills, and before long was able to retain food on his stomach. His pain gradually became less and in six weeks time he was back to his home in Averil, feeling that he had obtained a new lease of life. He continued taking the Pink Pills for some time longer and gained so much in health and strength that he is now able to do the hardest kind of a day's work, and he frankly gives Dr. Williams' Pink Pills all the credit for his rejuvenated condition, and says he believes their timely use saved his life. The Observer has verified his story through several of his neighbors, who say that it was thought that he was at the point of death when he began the use of Pink Pills; in fact when he mentioned his case to one of the doctors who had attended him he said he supposed he was dead long ago. When such strong tributes as these can be had to the wonderful merit of Pink Pills it is little wonder that their sales reach such enormous proportions, and that they are the favorite remedy with all classes. Dr. Williams' Pink Pills contain the elements necessary to give new life and richness to the blood and restore shotter nerves. They are an unfailing specific for locomotor ataxia, partial paralysis, St. Vitus dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of the grippe, palpitation of the heart, nervous prostration, all diseases depending upon vitiated humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such as suppressions, irregularities and all forms of weakness. In men they effect a radical cure in all troubles arising from mental worry, overwork, or excesses of any nature.

Dr. Williams' Pink Pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ont., and Schenectady, N. Y., sold in boxes (never in loose form by the dozen or hundred) and the public are cautioned against numerous imitations sold in this shape) at 50c a box, or six boxes for \$2.50, and may be had of all druggists or direct by mail from Dr. Williams' Medicine Company at either address.
