A BRIDE'S CONFESSION

"Yes, dear, I am married now, and George and I are keeping house in the loveliest flat on 64th St. Well, yes, we did get married somewhat suddenly. My health, you know, had for some time been very delicate, and Dr. Heavyfoot told mamma that he feared I would follow poor, dear sister Belle, who died three years ago from a wasting disease. Dear George was almost nearly cried my eyes out, but one day I overheard that 'hateful Nelly Parker' say to her mother, 'I think that George Blavolt is just too lovely for anything, and when the girl he's engaged to dies, they say she is dying of a galloping consumption, I'm going to step into her shoes and become Mrs. George Blavolt; now just you wait and see.' This spring I noticed George seemed to be almost resigned to the idea that we should never be married, and the thought that that deceitful hussy might get him after all nearly drove me crazy. One day I read the testimony of Lawyers Howe and Hummel as to the wonderfully invigorating effect of DR. CAMPBELL'S ARSENIC WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just sailed for Europe on business for his firm. On Sept. 18 he returned. I was, from the use of the Wafers, by that time again a well woman, and so captured was he with my healthy and robust appearance that he insisted we get married the very next day. I could not say him nay, and as you will see by my card, I am now Mrs. George Blavolt. Do call soon and let me introduce George to you; I am sure you will like him, he is so handsome, and as good as he is handsome. Good-by; be sure not to forget."

THE DEY OF ALGIERS!

The SHAH OF PERSIA and the SULTANS of TURKEY and MOROCCO now FIGHTEN and BEATIFY their barons exclusively on DR. CAMPBELL'S ARSENIC COMPLEXION WAFERS. So great is the demand for these marvellous Wafers that their manufacture is continued day and night.

The Shah found his harem in a state of disorder on his return to Persia.—N. Y. World, Oct. 12, 1889. Reason—Their supply of CAMPBELL'S WAFERS was exhausted!

ILLUSTRATIVE of the desirability of a certain amount of Plumpness, rumour has it that the above distinguished Oriental Potentates make it a practice to WEIGH their wives regularly once a month, precedence in rank and imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois.

TRULY CALLED THE
GREATEST MEDICINE
 In the WORLD.

Radam's Microbe Killer Co.:
 GENTLEMEN,—It is with pleasure I can inform you that my health has improved very much since I commenced taking Microbe Killer. I had indigestion, rheumatism in my left shoulder for a year and one-half, so I could not dress myself without much difficulty. I could not sleep on my left side on account of a rheumatic feeling about my heart. Also could not read half as long as I can now. I have taken about one and one-half gallons of your Microbe Killer. The lameness in my shoulder is entirely gone, my digestion is fifty per cent. better, and I can sleep on either side. My brother George had a troublesome cough, so that he thought he should have to go to Florida the coming winter. It troubled him all summer so much so that it would keep the rest of the family awake. About one jug of your Microbe Killer cured him, and we have recommended it to several of our sick neighbours with like good results. Very respectfully yours, JOHN PIERCE, 36 Pierce St., Hyde Park, Mass.
