Jewelry Parlors

It has always been our endeavor while catering to the student trade in the matter of medals and fraternal insignia to evolve something along artistic lines. This has been shown by the neat pin adopted by Varsity '07 and '08, while '09 will consider the matter and possibly adopt it as theirs, so that a uniform badge may be the result. A special discount is always given students visiting "Jewelry Parlors", everything pertaining to a first class jewelry store being carried—less the heavy running expenses.
