

ST. LAWRENCE SEAWAY TARIFF OF TOLLS

Post-Clearance Date Operational Surcharges

6. If the Authority and the Corporation so determine, they may establish a clearance date for the transit of the Montreal-Lake Ontario section. Each vessel which does not comply with the conditions announced by the Authority and the Corporation in establishing the clearance date may be required to pay in dollars an operational surcharge as follows:

- (a) Vessels reporting during the 24 hour period immediately following the clearance date: 20,000.00
- (b) Vessels reporting more than 24 hours late, but less than 48 hours after the clearance date: 40,000.00
- (c) Vessels reporting more than 48 hours late, but less than 72 hours after the clearance date: 60,000.00
- (d) Vessels reporting more than 72 hours late: 80,000.00

Assessed operational surcharges will be prorated on a per lock basis. Surcharges representing transit through U.S. locks will be for the account of the Corporation and payable in U.S. funds and surcharges representing transit through Canadian locks will be for the account of the Authority and payable in Canadian funds.
