

co-operation and shall continue to consult and co-operate in international negotiations and organizations with a view to achieving common fisheries objectives.

## ARTICLE II

1. The Government of Canada undertakes, upon the extension of the area under Canadian fisheries jurisdiction, to permit USSR vessels to fish within this area, beyond the present limits of the Canadian territorial sea and fishing zones off the Atlantic and Pacific coasts, for allotments, as appropriate, of parts of total allowable catches surplus to Canadian harvesting capacity, in accordance with the provisions of paragraphs (2) and (3) of this Article.

2. In the exercise of its sovereign rights in respect of living resources in the area referred to in paragraph (1), the Government of Canada shall determine annually, subject to adjustment when necessary to meet unforeseen circumstances:

- (a) the total allowable catch for individual stocks or complexes of stocks, taking into account the interdependence of stocks, internationally accepted criteria, and all other relevant factors;
- (b) the Canadian harvesting capacity in respect of such stocks; and
- (c) after appropriate consultations, allotments, as appropriate, for USSR vessels of parts of surpluses of stocks or complexes of stocks.

3. To fish for allotments pursuant to the provisions of paragraphs (1) and (2), USSR vessels shall obtain licences from the competent authorities of the Government of Canada. They shall comply with the conservation measures and other terms and conditions established by the Government of Canada and shall be subject to the laws and regulations of Canada in respect of fisheries.

4. The Government of the Union of Soviet Socialist Republics undertakes to co-operate with the Government of Canada in light of the development of fisheries relations between the two countries pursuant to the provisions of this Article, in scientific research for purposes of conservation and management of the living resources of the area under Canadian fisheries jurisdiction off the Atlantic and Pacific coasts. For these purposes, scientists of the two countries shall consult regarding the conduct of such research and the analysis and interpretation of the results obtained.

5. The Government of Canada undertakes to authorize USSR vessels licenced to fish or to support fishing operations pursuant to the provisions of this Article, to enter Canadian Atlantic and Pacific ports, in accordance with Canadian laws, regulations and administrative requirements, for the purpose of purchasing bait, supplies or outfits, or effecting repairs, and such other purposes as may be determined by the Government of Canada, subject to the availability of facilities for these purposes and the needs of Canadian vessels. Such authorization shall become null and void in respect of any vessel upon the cancellation or termination of its licence to fish or to support fishing operations, except for the purpose of entering port to purchase supplies or effect repairs necessary for its outward voyage.
