

President's Office.

November 27th, 1920

General Sir Arthur Currie, G.C.M.G., K.C.B.,  
Principal, McGill University,  
Montreal.

My dear Sir Arthur:

Just a word to congratulate you on the splendid success of your campaign. It must be an immense relief to you to have this great piece of work carried through, especially as it realises more than your object. I hope that now McGill is in a position to make great advances. The result of your campaign will, I know, be valuable in quickening the interest of Canada generally in University education.

We are now preparing a case to present before a special University Commission, which has been appointed to look into the possible grants that may be made by the Legislature not only to the University of Toronto but to Queen's and the Western.

With kind regards, I am,  
Yours sincerely,

A handwritten signature in cursive script, appearing to read "Robert Palmer".

President.
