

March 27th, 1925.

Hon. W. L. Mackenzie King,
Prime Minister,
Ottawa.

Dear Mr. Prime Minister:-

May I thank you very much for the kindness which you extended to the students of our Department of Social Science on their recent visit to Ottawa.

It was a very great privilege for them to visit the Council Chamber under your auspices and to hear the explanations of our methods of government which you were kind enough to give them.

Yours faithfully,
