## REPORT

OF

## COMMITTEE OF MANAGEMENT.

---

The undersigned, who were appointed by the Committee of Management of the Montreal General Hospital to conduct the enquiry ordered by a resolution of the Board of Governors, as to the cost of carrying on the Hospital, now beg to make their report.

They have made an extended enquiry into the matters referred to them, have personally inspected the working of the Hospital in all its details, and have examined the different members of the Hospital staff.

Mr. Pimsoll kindly undertook to compile from the books detailed statements of the working of the Hospital for the last eight years, and they proved of great use to your Committee in conducting their enquiry.

The general position of the Hospital funds appears to be as follows :

On the 1st May, 1870, the hospital owned various securities and mortgages of the value of.....	\$83,500
On the 1st May, 1877, the value of the securities held by the Hospital amounted to.....	79,966
Reduction.....	\$ 3,534
