

No sale of
lands suitable
for muskrat
farming.
Plan of
survey.

5. (1) No territorial lands suitable for muskrat farming shall be sold.

(2) No territorial lands shall be sold until a plan of survey thereof has been approved by the Surveyor General.

Limitation on
sale.

6. (1) Not more than one hundred and sixty acres of 5
territorial lands may be sold to any one person without the
approval of the Governor in Council.

Limitation
on lease.

(2) Subject to subsection three, not more than six hundred
and forty acres of territorial lands may be leased to any one
person without the approval of the Governor in Council. 10

Limitation
on lease of
hay lands.

(3) Where territorial lands are hay lands or lands suitable
for grazing or muskrat farming, not more than six thousand
four hundred acres may be leased to any one person without
the approval of the Governor in Council.

MINING RIGHTS.

Leasing of
mining rights.

7. The Governor in Council may make regulations for 15
the leasing of mining rights in, under or upon territorial
lands and the payment of royalties therefor, but such
regulations shall provide for the protection of and compensa-
tion to the holders of surface rights.
