

BY-LAW NO. 146.

**To Authorize the Levy and Collection of a Special Rate
to Defray the One-Half of the Cost of Constructing
the Frank Street Drain and Block Pavement.**

[Passed 6th Nov., 1882.]

WHEREAS by an act of the Ontario Legislature passed on the tenth day of March last, known as 45 Vic. chap. 44, the municipal council of the Town of Strathroy were authorized to make a special assessment for the Frank street drain and block pavement by an annual rate in the dollar on the real property benefitted thereby, according to the value thereof, exclusive of improvements, instead of by frontage tax. Preamble.

And whereas the municipal council of the said Town have paid the one-half cost of the construction of the said drain and block pavement, and the balance of the cost thereof is to be levied and collected from the properties so benefitted, in five equal annual instalments in sums as follows, viz. :

Nine hundred and thirty-three $\frac{99}{100}$ dollars for block pavement, Cost of pavement \$933.09.
and

Five hundred and sixty-eight $\frac{65}{100}$ dollars for the drain. Cost of drain, \$568.65.

And whereas the total assessment under a special assessment made according to law, and duly revised on the twenty-sixth day of June last of the block pavement and drain section before named is fifty-one thousand eight hundred and forty-three dollars. Total assessment.

Be it therefore enacted by the municipal council of the Town of Strathroy;

That the sum of one hundred and eighty-six $\frac{62}{100}$ dollars for the said block pavement construction, and the sum of one hundred and thirteen $\frac{73}{100}$ dollars for the drain construction, shall be levied and collected from the properties benefitted thereby, according to the special assessment before named every year for Rate to be levied.

STON,
MAYOR.
