Delivered Reactionary Address and Called Progressives Visionaries and Cranks -Appealed to Conservative Only - Is Stand-patter Avoided Social Problems.

WASHINGTON, D.C., Aug. 1 .- (Speial.)-President Taft at noon to-day eceived in the historic east room of he White House the committee appointed by the Chicago convention to formally notify him of his nomination. Senator Root, who was chairman of the convention, made the announcement and assured the president that no presidential candidate ever had a clearer title to the nomination. The president at once replied in a speech of such great length that many of those present supposed it to be his letter of acceptance. He took the precaution, however, of saying that he might supplement to-day's speech by a further communication to the committee in writing

The speech has been widely distributed thrucut the country and may be regarded as the platform of the president. As a platform it is distinctly reactionary. Mr. Taft evidently has abandoned all efforts to conciliate the must be supreme at sea." (Cheers.)
"Let us not forget the significance of this visit. Hon. Mr. Borden in the speeches he has already made, leaves the mare visionaries and cranks, who will naturally gravitate to Roosevelt."

navy; navy which we should keep at president stated that he would not hesi-Funeral will take place from his late residence, 450 Gerrard-street east, Saturday, Aug. 3, at 2.30 p.m. to St. John's Cemetery, Norway. Members of Lodge Lichfield, S.O.E.B.S., and sister societies please attend.

The should keep at the house woolen bill if it was again sent to him by congress for approval. The speech contained no reference to the ill-fated Canadian recity agreement, but blamed Democrative agreement agreement agreement agreement agreement agreement agreement ag

the general arbitration treaties with Great Britain and France. The president defended his Mexican policy and denounced the Democratic house for its refusal to vote Dreadnoughts.

Neither Col. Roosevelt nor Gov. Wilson was referred to by name, and the speech was entirely free of any personal or political bitterness. It was a change for the better. What they straight appeal for the conservative a change in soverment so that the

speech was entirely free of any personal or political bitterness. It was a straight appeal for the conservative vote of the country. Amid considerable applause and laughter the president said:

I do not say that the two gentlemen who now lead, one the Democratic party and the other the former Republicans who have left their party, in their attacks upon existing conditions, and in their attempt to satisfy the popular unrest by promises of remedies, are consciously embracing socialism. The truth is that they do not offer any definite legislation or policy by which the happy conditions they promise are to be brought about, but if their promises mean anything, they

Change for the better. What they clamor for is a change. They ask for is a change in government so that the government may be restored to the people, as if this had not been a people is government since the beginning of the constitution. I have the fullest sympathy with every reform in government since they beginning of the constitution. I have the fullest sympathy with every reform in government who they are formed and election machinery which shall facilitate the expression of the popular will as the short ballot and the reduction i nelective offices to make it possible. But these gentlemen propose to reform the government, whose present defects, if any, are due to the fallure of the people to dayote as much time as is necessary to their political duties by requiring a political activity by the people three times that which thus far the people have been willing to asume; and thus they propose remedies which, instead of exciting the people to further interest and activity in the government, will tire them into such an indifference as still fur-

THE TRADERS BANK OF CANADA.

The purchasers, according to the rumor, represented New York parties, who desire the property for theatrical purposes. The story was a topic of discussion among local show men last night.

It is understood the parties are prepared to give the price asked by the vendors, but Senator Cox and E. R. Wood are averse to selling the corner for a theatre.

THE ROYAL BANK OF CANADA.

THE ROYAL BANK OF CANADA.

NOTICE IS HEREBY GIVEN of the governmental machinery so as ti permit instantaneous expression of the people in constitutional amendments, in statutes, and in recall of public agents, what then? Votes are not bread, constitutional amendments are not work, or fereredums do not pay rent or furnish homes, recalls do not supply employment or relieve inequalities of condition or or relieve inequalities of opportunity. We still ought to have set before us the definite plans to supply and to abolish hardship and evil for humanity. In the financing of the transaction there is this drawback. It is given but that the Insurance Company Act prohibits investment in theatrical properties, and this was the chief reason for the Canada Life disposing of the Princess Theatre some years ago.

Senator Cox, thru Mrs. Cox, last night denied that negotiations were on when phoned by The World. E. R. Wood is in England.

Some months ago it was similarly numored that the Forum Hall, Yonge and Gerrard-streets, was to be converted into a theatre.
