ANOTHER CHARGE IS SPRUNG ON DARROW

Warm Congratulations of the Jurors and Friends After Acquittal Interrupted by the Prosecutor's Announcement—Second Indictment Alleges Complicity in Attempt to Bribe Juror Bain.

LOS ANGELES, Aug. 17.—Clarence B. Darrow, the Chicago lawyer, who was found not guilty to-day on the charge of having bribed a prospective juror in the McNamara case must stand trial on a second indictment, according to an announcement made by District Attorney Fredericks immediately after the acquittal.

Darrow apparently was unconcerned over the statement of the prosecutor. He was deluged with telegrams from all parts of the country, which began pouring in within an hour after the verdict had been given. The courtroom scene which followed the reading of the verdict, just 34 minutes after the jury had retired, was one that has had no parallel in this city.

Jurors embraced the acquitted man and with tears streaming down their cheeks declared that it was the happiest day of their lives. Court officials, including Judge Hutton, joined in the congratulations, and Mrs. Darrow, to whom the trial was a continuous nervous strain, stood speechlessly happy with one hand in her husband's and the other wringing those of the jurors.

Stopped at every step by pedestrians who wanted to shake hands with him, he required nearly a half hour for Mr. Darrow to make his way two blocks to a cafe, where he and a small group of friends went for luncheon.

"The jury was virtually unanimous when it left the box," Chief Counsel Earl Rogers said.

Lawyers incredulous.

Mr. Darrow's attorneys expressed incredulity when informed that there would be a trial on the Bain indictment. They asserted that all of the evidence in the Bain case had been submitted in the trial just ended.

Two o'clock next Monday has been fixed as the time for the trial of the second indictment against Darrow—that charging complicity in the attempt to bribe Juror Bain.

District Attorney Fredericks spoke bitterly late to-day of the verdict. "We simply could not overcome the damnable atmosphere that counsel on the other side created in the courtroom," he said. "As long as the court allowed them to do it we were helpless."

RUSSIA FEARS REBELS.

PARIS, Aug. 18.—A telegram received by The Paris Temps this evening from St. Petersburg states that Czarist troops are being sent to the principal fortress and military post of Russia, 20 miles west of the Russian capital, has been declared in a state of siege. The measure, the message adds, was a precautionary one and was taken with a view of offsetting possible trouble on the part of malcontents in the Russian fleet.

\$200,000 DARROW'S FEE FROM THE FEDERATION

Labor Organization Issues Booklet Accounting For \$236,105 McNamara Defence Fund—Not Many Details Given.

INDIANAPOLIS, Aug. 18.—In an eighty-page book just issued, the American Federation of Labor makes an accounting for the \$236,105 fund collected for the defence of J. J. and J. B. McNamara in the Los Angeles dynamite cases. The expenditures were \$227,911.85. There were more than five thousand contributors. The largest disbursements were to Clarence Darrow.

Money paid to Darrow, and itemized only as "expenses on account attorney's fees in McNamara legal defence case," totaled \$60,000. To Leo M. Rapoport of Indianapolis the payment totaled \$10,000. To Henry Seyfried, Indianapolis, \$2500. Darrow obtained his money usually in payments of \$10,000 each.

WEATHER FARMERS

Winnipeg, O., Aug. 18.—Rain on Friday in prairie province, but it is expected that proceedings will be renewed on Monday with increased energy.

Farmers on the whole, are somewhat anxious on account of the unsettled weather and those who have only just started or are about to start intend rushing things as much as possible. Harvest help at present is none too plentiful, but with armies coming in all times of the day and night, no material disadvantage is expected from this source.

OBTAINED MONEY BY NEW FRAUD GAME

Fourteen-Year-Old Boy Told an English Immigrant That it Would Cost Him \$5 to Enter Rochester, Took the Money and Gave Useless "Certificate."

John Mansfield, a fourteen-year-old boy from Newark, obtained five dollars from a British immigrant at the Toronto Union Station last night by a method new to the Toronto police. As a result he was arrested, and will appear before Commissioner Starr this morning on a charge of obtaining money under false pretences.

Mansfield, who had come to Toronto yesterday, made the acquaintance of the Union Station here last night at Arthur May, a new arrival from England. From May he learned that he was on his way to Rochester. Mansfield volunteered to buy the Englishman's ticket. This offer was accepted and the money given the boy, who in a few minutes returned to May with the Rochester ticket.

"I must now get you a landing certificate," said the boy. This he explained was necessary for all entering the United States from Canada and would cost five dollars. Convinced of the boy's honesty and very grateful for his kindness, May handed over the five dollars. Mansfield then went to the Canadian Express office, obtained one of their blanks and filled it in with the statement that it would permit the bearer, Arthur May, to land at the United States port of Rochester.

May accepted the certificate and was thanking the boy for his kindness when Constable Holmes, who had witnessed the transaction and overheard part of the conversation regarding it, stepped up and took the boy in hand.

GAMBLING JOINT RAIDED BY POLICE

Nine Men Caught in John Morrison's House at 89 Defoe St. on Sunday Afternoon, When Constables Found Dice Game in Progress, With Much Money in Evidence.

The Toronto police raided an alleged gambling joint on Sunday afternoon in the house occupied by John Morrison at 89 Defoe-street.

The constable on the beat, noticing men going into the Defoe-street house one or more at a time early Sunday afternoon, grew suspicious that something was wrong. The matter was reported to No. 3 police station, where the house had been under suspicion for some time, and a raid was decided upon.

At thirty-three the police patrol wagon was driven up to the house and the building cut off from the front and rear by the police. Sergeant Umbach of No. 3 police division, accompanied by Constables Ward (198) and Parish (72), then entered the premises.

They found nine men busy playing dice and other gambling games and much money was in evidence. The nine men were all placed in the police patrol wagon and taken to No. 3 police station.

John Morrison, 89 Defoe-street, was arrested as the keeper, and the following eight men as frequenters: John Verral, 90 Argyle-street; Robert Brown, 283 Niagara-street; Thomas Kelley, 74 West Queen-street; Samuel Moore, 243 Niagara-street; Robert Unlache, 89 Defoe-street; Percy Hainbecker, 200 Simcoe-street; John Hainbecker, 208 West Richmond-street, and William Moyle, 314 West King-street.

Morrison was allowed bail on security of \$500 being furnished. The other men, with the exception of Hainbecker and Moyle, were later allowed bail on security of \$200 each.

NO ORCHESTRA TO PLAY TO-DAY

Musicians, Decided to Go on Strike, and Theatre Music Will Be by Pianos.

At a meeting held after the theatres closed on Saturday night the members of the theatre orchestras decided to go on strike for higher wages. Consequently there will be no orchestras at any of the Toronto theatres to-day. The contacts between the musicians and the theatres terminated on Saturday night. The musicians some time ago gave notice of their request for higher pay, but the managers of the theatres decided that it would be impossible for them to meet all the demands.

Arrangements were made to have pianists at the five theatres which are open to-day. At the Star the music will be furnished by two pianists, a drum and a non-union violinist. Pianists will play in all the other theatres.

At the Gayety on Saturday afternoon sixteen seats were sold in the space formerly occupied by the orchestra, at \$1 a seat.

Mr. Boyd was for over twenty years traveling representative of "The Tyler-Keystone," a Masonic organ, published at Ann Arbor, Mich.

He was a member of Doric Lodge, A. F. and A. M., St. Andrew's and St. John's Chapter, Geoffrey de St. Aldemar Preceptory, and Ramezes Temple of Mystic Shrine. He was also a member of Adoniram Council, and of Oriental Consistory of Chicago.

The funeral will take place from the residence of D. Robertson at Reservoir Park grounds, on Tuesday, Aug. 20, at 2.30 p.m. The service will be in charge of Doric Lodge. Burial will be in Mount Pleasant Cemetery.

COMING BEFORE COUNCIL TO-DAY

Corporation counsel, appointment. Civic abattoir site. City architect's department re-organization. New bridge at St. Clair-avenue fill. Fair wage officer's department. Detention hospital site. City traffic commission. Sunday slides. Housing commission. Dr. Hastings' salary.

MUCH BUSINESS BEFORE CITY COUNCIL

Appointment of Corporation Counsel Will Be Most Important Matter for Settlement, While Proposals for Housing and Traffic Commissions Cause Discussion.

Quite a number of questions and projects of comparative importance are to come before the council at today's session and the chief items among them are: The appointment of a new corporation counsel in lieu of T. G. Meredith, K.C., who has declined the offer; a request for a reorganization of the city architect's department by Aid. Austin. This is subsequent to the charges of delinquency on the part of some officials with the result that buildings have been erected within the city limits before a permit had been obtained. It has also been suggested that City Architect McCallum be appointed to the honorary position of consulting architect and that Assistant City Architect Price be placed in the position now occupied by Mr. McCallum.

Traffic Commission.

Controller McCarthy will move that the council create a traffic commission to control the construction and operation of the new civic street railway system and local transit lines. He wants the board to consist of five members, one to be elected by council each year for a one-year term, four to be elected by the citizens direct, serving after first election for one, two, three and four years, according to the vote received. If approved at the elections on January 1 next, application will be made for legislation to this effect at the next session of the legislature.

Fair Wage Officer.

Controller Church asked the board of control to recommend the adoption of his motion repealing the existing by-law with regard to the appointment of a fair-wage officer and adopting another that provides for a separate department of the city subject to the rulings of the board of control. It is understood that he intends to bring the question up himself this afternoon on account of the controllers refusing to comply with his request. Controller Church also has recommended procuring a new \$3000 motor car for the police department.

Civic Abattoir.

On account of the opposition raised to the civic abattoir on Stanley Park, it is probable that the council will decide upon another location, altho the speaker committee have recommended the use of the park site.

Ald. McBride will endeavor to obtain permission to bring in a bill to prohibit the slopes relating to the prohibition of Sunday use of the park slides.

Ald. Rowland wants the city to appropriate the slopes and land adjoining Rosedale Ravine-drive from Park-road to the Don Valley in order that the property may be utilized for park purposes.

Housing Commission.

Dr. Hastings has recommended the appointment of a housing commission, etc., and is looking forward to the adoption of his report favoring sanitary reforms, which include the installation of sanitary conveniences where necessary, to be charged against the property as a local improvement.

PROSPECTORS HAVE FAST MOTORS READY

Army of Prospectors Encamped in Gillies Limits Prepared to Stake at Midnight Half Dozen Claims and Then Speed to Recording Office—Violence is Expected.

HAILEYBURY, Aug. 18.—(Staff Correspondence.)—Gillies Limits, where a small army of prospectors are bivouacked to-night, with many more coming as reinforcements on each train, has the undivided attention of the whole north.

Only two hundred twenty-acre claims are available for staking, and the half dozen lots of promising surface appearances are camped on by hundreds of prospectors who propose to stake the lot, then make a wild dash in high-power motors to the recording office at Haileybury over the Giroux Lake stone road.

So acute is the rivalry for claims with showings that the men are declaring that to-night trouble of a serious nature is liable to come, both on the limits and at the recording office. The situation hourly grows more intense, and violence may be resorted to by reckless ones.

To save endless litigation over disputed titles, it is said the recorder will refuse to accept applications from those who trespassed in order to get on the ground early. The provincial police may be called upon to clear the limits under the laws of trespass before the official opening Monday at midnight.

Toronto men who are said to be represented in the scrimmage for claims are W. S. Edwards, A. G. Minter, W. B. Clark and M. J. O'Brien.

STOLE MONEY TO PAY FINES

Man and Woman Held on a Charge of Taking \$100 From Livery Stable Proprietor.

The grand finale of the affair in which several women prisoners had their fines paid with stolen money and were given their freedom from the Toronto jail, ended in the arrest on Saturday night of Julia Purdie and Edward J. Hunter.

According to the story told by the police, Hunter, Albee Mack and Julia Purdie hired a horse and rig from the livery of Alex. Arby, 17 Brock-avenue, on the night of Saturday, August 10. On returning later the horse was put in the stable again by Hunter, the two women meanwhile sitting at one end of the stable smoking. When the three had gone, the proprietor went to change into another pair of trousers that had been hanging in the stable, only to find that some one had removed a roll of bills containing more than a hundred dollars from one of the pockets.

In the meantime the trio hired an auto with which they drove to High Park and the next morning to the jail. Here they paid the fines of their friends, Kate Black, \$22.50; Mary O'Leary, \$4.25, and Blanche Richards, \$13.50.

Albee Mack and the women prisoners who had been released were afterwards located by the police, and on appearing in the police court were remanded until to-morrow. Last night Detectives Murray and Young arrested Julia Purdie on the street. According to her, Hunter was given a goodly share of the stolen money. Hunter was later located on Saturday night by the detectives and also placed under arrest.

The two prisoners will appear in the police court this morning and be remanded until to-morrow, when the case against all concerned will be heard.

TWO WADE OUT BEYOND DEPTH

Popular Ottawa Young Women Drown Before Assistance Can Reach Them at Summer Resort.

OTTAWA, Aug. 18.—(Can. Press.)—A double drowning occurred to-day at Norway Bay, Que., a summer resort, 45 miles west of the city on the Ottawa River, when two well-known and popular young women lost their lives while bathing. Miss Mary Wright, aged 23, daughter of P. H. Wright, and Miss Bertha Johnston, aged 16, daughter of the late George S. Johnston, both of Ottawa, with a party of other young women, went in bathing shortly before noon to-day and wading out beyond their depth went down before assistance could reach them. The bodies were recovered fifteen minutes later and three physicians visiting at the resort worked over them for an hour without success.

DELEGATION WILL ASK FOR FLOOD PREVENTION

Premier Whitney on Wednesday to Meet Representatives From Towns Along Grand River Valley, Seeking Measures to Prevent Overflowing of Stream.

GALT, Aug. 17.—Plans are perfected to send a very large delegation from Grand River Valley to Queen's Park for conference on flood prevention measures. The board of trade is joining with the municipal councils in selecting representative citizens in Brantford, Paris, Berlin, Waterloo and other towns, including Galt.

The regulation of the stream is of great importance to the district and the necessity for immediate action is so far as engineering investigation is concerned is apparent to all municipalities interested. Hopes are entertained that Sir James Whitney will see eye to eye with the delegates and order a complete survey of the watershed.

To-day, the secretary of the Grand River Improvement Union, that is again to bring the flood prevention question before the provincial government, received word from the premier that he will meet a deputation at the parliament buildings next Wednesday at 2 p.m., and will have two or three colleagues present to hear the case. Representatives will attend from a dozen municipalities. Galt will be represented by its council and board of trade. Members of the legislature from several constituencies interested will also join in conference with the premier.

The movement for the union of municipalities on the hydro-electric enterprise originated in this town, and made good. Determination to push the Grand River scheme is just as strong, and hopes are entertained that it will be just as much a success.

MOVING PICTURE MEN MAY STRIKE

Operators in Toronto May Leave Work in Order to Handicap Film Exchanges.

Trouble is crowding up now among the moving picture operators in Toronto. There is a chance that next Saturday morning 75 per cent. of the men who grind out the "movies" will not be in their iron-clad cages and the proprietors will be in a box so far as keeping their houses going is concerned.

A strike has been on in Vancouver for a month between the operators and the managers and the men think that two of the largest film exchanges have been lending to the proprietors just a little more aid in the fight than they think correct and proper. The Vancouver operators informed the Toronto men as to the situation, and yesterday afternoon the local union of about seventy-five men voted without dissent to call a sympathetic strike in Toronto to be directed chiefly against the two film exchanges which control three-quarters of the local houses.

Unless this decision has the expected conciliatory effect, the strike begins Saturday morning.

And it may spread thruout Canada wherever the two exchanges operate, declared one union officer last night.

FORMER COLLEGE CHANCELLOR DEAD

R. W. Heneker Was Paymaster in Fenian Raid and Very Well Known in Canada.

LONDON, Aug. 18.—(C.A.P. Cable.)—Richard William Heneker, late chancellor of Bishop's College, Lennoxville, died to-day at Bournemouth, aged 89.

Richard William Heneker, ex-chancellor and D.C.L. of the University of Bishop's College, was born in Dublin, and was educated at University College, London, subsequently studying architecture and surveying. He abandoned his profession to become the commissioner of the British American Loan Company in Canada in 1855, and was afterwards president of the Eastern Townships Bank, and president of the Paton Manufacturing Company. He received his M.A. from Bishop's College, Lennoxville, in 1870, and his election as chancellor of the university in 1878, and ten years later the honorary degree of LL.D. from McGill University. In the army he attained the rank of major, and he acted as paymaster to the 53rd Volunteers during the Fenian raid.

BANK TELLER SHORT.

It was learned Saturday evening that the teller in the head office of a prominent Toronto bank is some thousands of dollars behind in his books. The exact amount is not known as yet, but officials of the bank are sure that the loss is covered by guarantee bonds.

The young man is at present under suspension. Nothing will be done until the inspection of the books is completed.

WALDO NOW AFTER GRAFTERS

Police Commissioners Plan Public Trial of Quartet of Inspectors--Becker's Deposits Reach \$73,000.

NEW YORK, Aug. 18.—Thoroly aroused by the charges of police graft following upon the disorderly house raids made by the district attorney's office, Police Commissioner Waldo, it was said to-night, plans a public investigation of his own. Together with Cornelius J. Hayes, the police inspector, whom he reduced to the rank of captain as a sequence of his alleged failure to suppress disorderly houses in his district, three other inspectors will be placed on trial by the commissioner next week, it was said, and asked to explain the existence of disorderly places in their districts also. These trials will be the vehicle of the commissioner's proposed investigation into the so-called system of police graft.

The trio of inspectors said to be situated for the trial are known to be three of the quartet of inspectors against whom District Attorney Whitman has secured evidence of graft.

Until the raid made on disorderly houses last Friday night by Assistant District Attorney Smith, Commissioner Waldo, according to one of his close friends, had confidence that his inspectors were doing their duty and that the alleged graft did not reach higher than Lieut. Charles Becker, the gambling raiser, accused of instigating the murder of Herman Rosenthal. The Becker charges, he thought, were a case for District Attorney Whitman. Believing now that he has had "the wool pulled over his eyes," Mr. Waldo is thoroughly determined to have a house cleaning in the police department.

Becker's Deposits Growing.

The record of Becker's bank deposits has now reached \$73,000. Becker accounts for \$3000 and \$5000 respectively, were furnished to the district attorney's office Saturday by two more banks. Efforts to trace accounts in three out of town banks are being continued.

BUFFALO, Aug. 18.—Sam Schepps, wanted by District Attorney Whitman of New York as the remaining material witness concerned in the murder of a Buffalo for New York at 9.45 o'clock to-night. It was rumored that the journey would be broken at Albany and that the party would meet there by District Attorney Whitman.
