

## NEW WORLD'S MARK FOR WILKES BREWER

Fastest Sixth Heat Ever  
Trotted—Roy Grattan  
a Winner.

Columbus, O., July 30.—Wilkes Brewer, took a new world's record today in winning the sixth heat of the event in the fastest time ever recorded, 2:06.4. It was the fastest sixth heat ever trotted, lowering the record of 2:08.4, made at Toledo last year by Spornanza. Wilkes Brewer was no match for his rival, Roy Grattan, who made his first start of the season in the 2:04 trot in straight heats from Binland, who was driven by George Grattan, making her first start of the season in the absence of Frank Hendrick, who is still suffering from injuries received at Toledo.

Grattan, a heavy favorite, took the 1:05 pace without a ripple. Lady Wreath and Dick Keith were the real contenders, the latter finally winning after a hard five-mile struggle.

Thomas Murphy today purchased the mare Woodpecker (2:05.4) from G. A. Sapping of Minneapolis for a reported price of \$7500.

Charles Sapping, owner of the Ontario Jockey Club, and one of the most extensive and successful of Canadian breeders of thoroughbreds, is very low at his home in Waterloo, and may not last the week. He has suffered for several years from Bright's disease.

## Scottish in Draw With the Albions

Davenport Albions and Toronto Scottish met at Varsity Stadium last night in the third round of the Robertson Cup, and played to a draw—1 to 1.

Scottish opened strong, and after ten minutes play McAuley, who was making his first appearance for them, scored a lovely goal. Scottish continued to have the better of the exchanges up to the interval, but superb goalkeeping on the part of Neat kept them from adding to their score.

In the second half Davenport played in great style and had the Scottish defence guessing several times, and here it was that the strategy of Campbell and Brown showed itself to great advantage.

With but ten minutes to go, Davenport staged a great rush, and after the ball had bobbed about in the goal for a few moments, it was scored by Campbell. Both teams tried hard for the winning goal, but there was no further scoring, and the game ended in a draw.

Scottish—Smith, Campbell, Brownlie, Accourt, Young, Fain, Anderson, Bruce, Whallin, McCall, McAuley. Davenport—Neat, Robinson, Buchan, Brownlie, Brown, Hunt, H. Fidler, Rutherford, E. Fidler, Reid. Referee—J. Lamb.

Little, Mule and Gold Trap, Del Strome and several entries of the master and others, so the races are bound to be exciting and close. Last meet both races had over ten starters, and it is expected that this meet over fifteen will face Mr. Joe Doane.

**NO SETTLEMENT YET  
IN YORKSHIRE STRIKE**  
Conference Between Mine Owners and Employers, at Leeds, Proves Abortive.  
London, July 30.—An attempt to settle the Yorkshire coal strike today proved abortive. The conference of mine owners and strikers, held at Leeds, at which it was hoped a solution of the difficulty might be reached, failed to effect an agreement.

Sir David Shackleton, permanent secretary of the ministry of labor, attended on behalf of the ministry of labor, and afterward discussed the situation separately with both sides to the controversy and ascertained the points of difference. Sir David said that, in his view, these were relatively small. He urged upon the disputants the importance of settling the dispute as soon as possible, and of making a compromise which he said he considered would enable the miners to resume work and settle their differences.

Another serious situation is developing in the coal fields through the country, aside from Yorkshire, owing to a strike on behalf of the colliery surface workers, which have been the subject of negotiation since the coal commission issued its report some time ago. The men are becoming restive and threaten to cease work unless the matter, which is an affair of the ministry of labor, is speedily settled.

The latter, hearing of the adventure, insists upon helping the young pair to a happy end.

## PLAYS, PICTURES AND MUSIC

"Call the Doctor."  
The production next week by Edward H. Robbins and his players at the Royal Alexandra Theatre, of the new David Belasco comedy, "Call the Doctor," promises to be something out of the ordinary. Not only is this the first time this play has ever been produced on any stage in the world, but it is the first time a play belonging to the master director of the American stage has ever been done by a permanent company.

In keeping with these interesting facts, Edward H. Robbins has not allowed expense to stand in the way of declaring "Call the Doctor" a gala success, for he has specially engaged just in for the production two of the most popular and foremost actresses at present before the footlights, Misses Maude Felmey, who formerly leading woman with Sir Henry Irving and Madeline Delmar, leading woman for Mrs. Fiske, and who will this season fill a like position with Ethel Barrymore.

David Belasco whose name is a household word wherever theatricals are mentioned, will be in full charge of the final rehearsal of the company and will likewise remain in the city during the presentation of the comedy. The authors, Jean Archibald, has already arrived, and is lending every assistance in whipping the play into shape. Everything taken into consideration, "Call the Doctor" will prove the most interesting event ever produced in Toronto for a permanent company.

There will be three matinees next week, a special matinee being given Wednesday afternoon (Clive Holiday) besides the usual Wednesday and Saturday. Seats are on sale for all performances, at the theatre box office.

**"Mickey" Still Playing**  
"Mickey" is the wonder film of 1919. It is now on its ninth week and the demand shows no signs of lessening. The patronage extended this remarkable picture is unprecedented and a further extension of the engagement is necessary to make the most of the story, the intense heart interest of the theme, the natural comedy and the sensational and exciting climaxes. It is cleverly constructed and the various characters are portrayed by an excellent cast.

Shea's Hippodrome, admittedly one of the most popular theatres in the film firmament today, will head the bill at Shea's Hippodrome next week with a thrilling western drama, for which he is particularly adapted, entitled "The Lone Star Ranger." It affords him every opportunity to display that emotional strength that has made him famous. The Burns Bros. are comedy gymnasts who perform many unusual and laugh-provoking feats. Winnie and Dean have an act which they call "Entertainment of Genius." Dawson, Langman and Covert are featured in up-to-date songs, while John McGowan and his New Yorkers present a happy miniature musical comedy revue.

The Hickman Bros. in black-faced specialties; McKay's Scotch Revue, an instrumental and singing number; a Harold Lloyd comedy and "Lucky 13" Sunshine comedy complete the bill.

Shea's Theatre.  
The information that the popular Shea's Theatre vaudeville house in Victoria street will reopen for the season of 1919-20 with a vaudeville bill on Monday, August 11, will be gladly received by vaudeville patrons in the city.

At Leew's Next Week.  
Ethel Clayton, the charming star of flimdom, was never more beautifully appearing in the sympathetic role of a real woman than in "Men, Women and Money," the feature play of the week. The story starts in a London story of sex problem after the picture, but just an every-day story of the emotions that command attention till the end. The vaudeville will appeal to all new to local theatregoers. Wm. S. Hall, assisted by Jennie Colburn and Georgia Hall, will appear in a protean character review, entitled "Snaphop's From Life." Coffman and the man with the funny laugh, Carrol and the Kentucky Belle; Loney and the Baker Girls, offering a sparkling breeze from musical comedy, "The Dance and Grobe," presenting "The Dance Evolution"; Mason and Cole, in a delightful novel play, "All for a Kiss"; and "Mutt and Jeff" animated cartoons round off a delightful program.

Anita Stewart at Regent.  
A crowd of human interest stories ever strongest, and in it she plays the part of a young Italian girl whose mother loves her into many strange adventures.

Harold Lookwood at Strand.  
If man of tremendous power and wealth had you in his grip, and you had your choice of obeying his orders in the most dishonorable business scheme or of running the chance of losing everything, even your life, what would you do? This is the position in which Harold Lookwood is placed in his role in "A Man of Honor" at the Strand Theatre today and for the remainder of the week.

One of the finest double bills presented to moving picture audiences in Toronto this summer is to be seen at the Allen this week. What better combination could you wish for than Marguerite Clark and Bryant Washburn? In "Let's Hope," Marguerite Clark has a role that suits her charming and vivacious manner to a nicety. The play is a farce and abounds with amusing situations. One of the funniest of these takes place on the night of the elopement of the young wife with a chap who is younger and temporarily at least more attractive than her hard-working husband. The latter, hearing of the adventure, insists upon helping the young pair to a happy end.

## ANOTHER ONTARIO BARN DESTROYED

Wheat Crop From Seventeen Acres Burned—Arrest of Suspect.  
Chatham, July 30.—William James Langley, aged 18, who gave his address as 5 Chatham street, Windsor, is in the custody of the county police on suspicion of setting fire to the barn of the farm property of J. J. Moore, concession 7, Raleigh township, in the early hours of this morning.

When arrested by the city police, Langley denied the deed, stating that he did not even know of the fire. The fire is one of the most destructive which have occurred in this district for some time. The flames were noticed in the barn shortly after one o'clock.

All Burned in Two Hours.  
All attempts to stop the blaze proved futile and in a short time the stables, granary and drive shed were involved, and in two hours were burned to the ground. Twenty tons of hay, and the wheat crop from seven acres were consumed in flames. The damage will amount to several thousand dollars.

The police had great difficulty in getting the prisoner to account for his movements after he had been arrested. After some time, Langley admitted that he had worked for Mr. Moore for two months and that he left his job Tuesday morning on account of a difference as to wages. He stayed in Chatham all day, and last night slept under a bridge in close proximity to the farm.

The police say Langley gave as his reason for sleeping there that he did not want to spend the few dollars he had on a hotel bill.
