Above you will read the telegram that Mr. James sent me direct from the track. Read and see what he has to say. We will give everybody another chance to get in and win some easy money. Don't forget we will put lots of other good ones over at this track like we did at Woodbine and Blue Bonnets.

50 CENTS PER WIRE

Remember. we don't advise you to bet on every race, but give you one or two bets a day. And we don't give you a full sheet of 21 horses and if any one of them win advertise it as a winner. We give you only two horses a day, no more, and by following our instructions you will come, out a big winner every week.

If you want just two horses a day to play come and buy my inside information. And if you want twenty-one horses a day or more go to the other tipsters and listen to all their hot air. Our office has been open every day since the Canadian meeting opened up, and my ad. has appeared every day in this publication, and all my telegrams are on file at my office for inspection. Come and look them over, and I also can prove that every long shot that I publish in this paper I have it on file with the Telegraph Co. Because I made good and all my clients are big winners since they started to play my inside track information. Don't listen to a lot of hot air every day, but listen to reason. I am the only man in this line of business that delivers the goods every day. I publish the losers just as well as the winners, so pay a little attention to me from now on as I am going to put over lots of

ing of the Hamilton Jockey Club was light rain fell all morning, and it was showery during the afternoon, which made a fast track cuppy and slow. The card was without a feature event, consisting of seven races, with the daily stceplechase. The topic of the afternoon was the report that Red Walker would retire from the racing gome, and that he would take up his home near Uxbridge, a small town in Ontario, where his mother resides. J. E. Seagram is said to be negotiating for the horses Stanley Fay and Bellwether, the rest of the Walker string

The field went away to a good break, with Alice George setting the pace to the top of the stretch where Eliza Coat came. the stretch, where Blue Coat came away and won by half a length, gain-ing a lot in the last few strides. Sereliade, the good thing, was outrun all the way, while Edgely got up in time

to get the place money.

The second was for 2-year-olds, and won by a head by Bob R., a malden from the stable of J. W. May, over the first choice, Autumn Girl. It was a ust in time to land the long end o the purse. Autumn Girl did not seem to like the footing any too well, the

When they were despatched Student King went to the front and made the running for the greater part of the way, then he made a bad landing and lost many lengths. Tourney that was backed to split favorite, and who was in second position, then went to the front and won handily. Stu-dent King came again at the end, and was second over Ai Powell, who was always well up.

In the fourth race, the first choice, Moquette, in a three-horse race, was beaten by the outsider. This was for the Hotel Royal Cup, over a distance of a mile and an eighth. Donald Macdonald set the early pace, when John E. McMillan made the running. As they rounded into the stretch Goldstein made his run on the favorite, poking his nose in front for a short way. Then the winner came again and won by a head under a hard drive. Donald Macdonald was outclassed after the first half mile.
The fifth race was for Dominion The fifth race was for Dominion breds, and in it the Dyment stable ran 1—2. McIntyre beat the gate, opening up a gap that the others could never close. Fort Garry, the stable companion of Caonie Maid, outran the others in the last eighth of a mile and got up in time to get the second

when Beliwether went to the front at the start and held the lead to the end. The track was the kind that he liked and he showed his ability to step in the mud. In this race Sir Edward finished third, but was disqualified for fouling Hiacko, and McIntyre was suspended for a week for cutting across to the rail and shutting Hiacko off.

The fifth favorite was beaten when County Clerk, the second choice, came from behind and won by half a length, Spanish Prince, the first choice, made all the running and when collared at the head of the stretch, quit. Woolwinder then took up the page, but could not stand off County Clerk, who came with a rush at the end.

Close at Gravesend. GRAVESEND, June 23.—The Gravesend meeting came to a close to-day with a good card and a fair crowd in attendance. The feature of the program was the Bedford Stakes, five furlongs, and resulted in an easy victory for Mexicana, an 8-to-1 shot. Remember this, our full message, which we have been giving since "Hamilton" opened, as a guide for clients who go to the track, gives a selection in each race and advises two horses to be played heavier than the others, "they consist of the One Best Bet and the Special Good Thing."
But no matter how strongly we advise the latter to be played or how long the odds may be, it is never claimed as the one best bet. Our one best bet is strictly a one horse a day proposition and has only on one

occasion in the past 28 days "lost two days in succession." You all should know the calibre of our information by this time, our results have been kept continuously before the public since we opened our "Toronto Office" last April. Clients who were with us then are still
