Heavy Fog Prevailed at Time and Cape Elizabeth Lightship Was Off Her Station—Feared Steamer Cannot be Saved

Portland, Maine, Sept. 23.—The Eastern Steamship Corporation's steamer Bay State, bound from Boston for Portland, went ashore on Haystack Rock, just off the tip of Cape Elizabeth, during a heavy fog early today.

On Wednesday little Miss Marjorie Long opened the door, while Mrs. Chas. Barnhill, who is a very efficient pianist, played a waltz for her.

On Tuesday afternoon, August 8, at a quarter to five o'clock, at the residence of Mr. and Mrs. G. E. Owen, Grand street, Montreal, the wedding of Miss Kathleen A. Waterman, D.A., of St. John, N. B., daughter of the late Mr. and Mrs. N. T. Waterman, of Waterville, South Dakota, and Dr. J. H. Wilson, of St. John, Grenfell's Medical Mission, Labrador, son of Mr. and Mrs. Samuel West, of Moncton, N. B., was celebrated.

The Rev. O. C. S. Wallace, D.D., of Westmount Baptist church, officiated at the ceremony. The bride wore her traveling suit of navy blue serge with coat opening over dainty waist of Georgette crepe and lace. Her hat was a Panama, trimmed with cream colored tulle and pink roses. She carried a shower bouquet of pale pink and white sweet peas.

Following a reception, Dr. and Mrs. West left by boat for Quebec en route to Labrador. The out-of-town guests attending were: Mrs. S. West and the Misses West, mother and sisters of the groom; Mrs. T. Brown of Ottawa, cousin of the bride, and Lieut. and Mrs. W. H. Stuart of Winnipeg.

LITTLE CHILDREN ARE COMPELLED TO SLEEP IN THE POLICE STATION

Because there is no hospital accommodation in St. John for a child with the whooping cough, three children of tender age spent last night in the police station, on cots directly over the cells where drunken prisoners make night hideous. The Children's Home could not take the little ones because whooping cough prevails there as a result of inability to get the first case taken to a hospital instead of to the Home.
