TROJANS WIN GAME FROM SAINT JOHNS

Shamrocks Defeat St. Peter's—Both Winners Have Only One Run Margin

Two close and exciting games resulted last night in both the City League and the City and County League fixtures.

The Trojans upset the fast traveling Saint Johns on the North End grounds by the score of 6 to 5, a peculiar feature of the scores being that they all came in the second session in which both Diggs and Kerr were driven from the box. In the other senior game played last evening on East End grounds, the Shamrocks had a narrow escape when they were just able to nose out the St. Peter's 7 to 6 as the latter's last evening rally fell one run short of a tie.

The Trojans opened the attack against the Saint Johns in the first half of the second frame. An avalanche of six hits coupled with a pass, an error and two pilled bases sent six runners across the pan and caused Manager Campbell to insert Nelson in the box before the inning was over. The latter went in without any preliminary warming up and struck out five men in succession during the remainder of the inning and next inning.

KERR LOSES CONTROL
Kerr went bad in the second half of the frame after his teammates had given him a big lead. He passed three of the first four men up and the other hit safely. Daley replaced Kerr, but after fanning two men an error let in three runs more before he could retire the side. From then on it was a pitching duel between Nelson and Daley with neither one allowing a run.

In the other senior contest the Shamrocks counted once in the first inning, added three in the fourth, another in the fifth and two more in the ninth. The St. Peter's scored in the third and did not count again until they rallied in the closing innings to score two in the eighth and three in the ninth, their rally just falling one short of tying the score.

The features of the games were Butler's home run and four double plays, three by the losers and one by the winners. Potter for the Shamrocks and O'Connor for the St. Peter's were the rival pitchers.

The box score and summary:

CANCELS MATCH AFTER DISPUTE OVER TARDINESS

Queen Mary Among Disappointed Spectators

LONDON, June 24.—Suzanne Lenglen was the most talked of woman in London today. She declined yesterday to play her matches in the Wimbledon tennis tournament, to observe which Queen Mary had patiently waited in the Royal box.

The French champion announced this morning that she intended to play her matches. The committee of the press and general conversations was the failure of Suzanne to carry out her engagements for the singles and a women's doubles match yesterday. There was a condemnation of and excuses for the French girl. Some said the chief blame upon Suzanne while others held the Wimbledon committee responsible for the fiasco.

RUTH OFTEN IS PASSED
Babe Ruth, of course, is the recipient of more mound charity than any other player in the big league. He recently was walked 10 times in four games and at least six of these strolling

tickets came with malice aforethought. The stands boo loudly at each pass, but the pitchers persist. For some incalculable reason the managers seem to have forgotten that after all it is the fans who pay the freight and should be satisfied.

Several suggestions to legislate away the intentional pass have been brought forward. Obviously a simple rule against it would not work, because there is no way to determine whether a pitcher is tossing wildly on purpose.

SOLUTION OF PROBLEM
The best solution of the problem in the opinion of this writer, came from a Baltimore fan. He suggested that a batter get two bases whenever a pitcher hurled four consecutive balls.

Thus if there were men on second and third an intentional pass would bring in a run, and managers would think twice before self-assessing this penalty. If a pitcher hurled three bad ones he would have to shoot the next one in and give the batter a chance to suffer heavy consequences.

It would be an interesting experiment and one which no doubt would please fans. It would be a great deal more than the present method of passing a player whenever danger is in the offing.

TALK OF CHICAGO FOR BIG BATTLE
Rickard Says He is Dickering For Soldiers' Field Stadium

NEW YORK, June 23.—The heavy-weight championship match between Jack Dempsey and Gene Tunney will be held on Sept. 16 "somewhere west of the Hudson River," Tex Rickard declared today. The promoter indicated that he is dickering with interests in the Soldiers' Field Stadium. He also said that he has an invitation from Mayor Hague, of Jersey City, to take the match to the big blue saucer at Boy's Thirty Acres, the scene of the 1921 championship bout between Dempsey and Georges Carpentier. "The action of the New York State Athletic Commission, yesterday, in banishing the bout out of New York, will not effect the principals of the bout one iota," declared Rickard.

CUBS BUY HUNTINGZINGER
CINCINNATI, Ohio, June 24.—The Chicago Cubs have purchased Pitcher Huntingzinger from the St. Louis club. He will take the place left vacant by the transfer of Alexander to St. Louis.

Fans Indignant At Great Increase In Use of Free Passes For Star Hitters

By PAUL W. WHITE

NEW YORK, June 24.—United Press)—Increasing prevalence of intentional passes has aroused fandom to screaming squawks and the cry of "What can be done about it?" is abroad in the land.

Just what pitcher it was who first tossed a ball to a batter in the direction of the club house has been lost in the maze of ancient history. But he established a tradition that has become increasingly popular with the hurriers and unpopular with the fans.

Intentional passes are not always a perfect defense, of course. Many are tossed to a batter who is not a good hitter. But a batter has socked out a rousing baser after a slugger has been given free transportation. But the calculated pass apparently has worked well enough for the managers to counsel it at least once in every game.

Obviously a simple rule against it would not work, because there is no way to determine whether a pitcher is tossing wildly on purpose.

The best solution of the problem in the opinion of this writer, came from a Baltimore fan. He suggested that a batter get two bases whenever a pitcher hurled four consecutive balls.

FOOTBALL CLUB DOES WELL IN CUP GAMES
The income of the Manchester City Football Club from cup competitions among soccer clubs in the season just closed in England was £23,344, the final alone contributing £25,036. The balance sheet, it is stated, will show the largest profit in the history of the club.

CHAMPIONSHIP BOUT OFF UNTIL TUESDAY
Match Between Walker and Dundee For Chance at Title on Tonight

NEW YORK, June 24.—Mickey Walker, recently deposed welterweight boxing king, tonight meets one who was a leading challenger while Mickey wore the crown, Joe Dundee of Baltimore.

Dundee, who has gained the front rank in his division by fighting constantly, has many friends in this engagement, which, if he wins, will carry him to a championship contest with Pete Latzo, of Scranton, who relieved Walker of the honors several weeks ago.

Walker reports himself in good shape for this contest.

Latzo and William Harmon of New York, billed to face each other in Newark last night, will get together next Tuesday, rain having spoiled the card the last two nights.

MARRIED MEN WIN
On the shipyard diamond last night the married men trimmed the bachelors by a score of 5 to 4. A feature of the game was a home run by R. McEachern.

Toronto, London, Stratford, Niagara Falls and Windsor—there is a chance that the organization will be converted into an international club affair, embodying Boston, Springfield, New Haven and Providence.

WOMAN WALKS INTO WATER AND PERISHES
CLARK'S HARBOR, N. S., June 24.—Walking out into the sea in plain view of several persons, Lillian Penny, aged 36, of this place, was drowned before she could be reached. She had been despondent since the death of her husband some time ago.
