YESTERDAY, the 109th anniversary of the settlement of Yarmouth, was observed by all good Yarmouthians as a public holiday.

SPRINGFIELD, PICTOU COUNTY, has a man, Alex McGregor, who is 96 years of age. He remembers when the first mail bag was carried between New Glasgow and Antigonish.

WORD has been received of the burning last Monday at Campbellton of Moffatt's saw mill and barn, Mr. Murray's shingle mill and the dwelling house of Jas. Gillies. Fire started in the saw mill and spread to the other buildings.

ONE result of Rhodes & Curry's, of Amherst, representation at the Jamaica exhibition is that the firm is sending two carloads of their manufactures, worth over $1,500, to that place, and more orders will follow.

LIFE INSURANCE.—The windows of Chubb & Co's. insurance and ticket agency have been decorated with the signs of the Manufacturer's Life and Accident Insurance Companies, of which the firm are the local agents.

LOST A FOOT.—A young man named Segee had his foot run over by a locomotive at Vanceboro on Monday. It was crushed so badly that it had to be amputated at the instep. Segee had just begun work as a brakesman that day.

THE WATER MAIN at Haymarket square that burst Monday night has been repaired. Men were sent immediately to look after the break, and they found it necessary to go down thirteen feet. The old main had been under ground 55 years.

THE REPORT that Miss Wortman, of Salisbury, had been found in a lumber camp near Petticodiac, was unfounded. The search for her is continued, but with little hope that she will ever be found alive. It is now 10 days since she disappeared.

REV. JOSEPH MCLEOD of Fredericton, received a cablegram from India yesterday, announcing the death of Rev. A. B. Boyer, from typhoid fever. He was a graduate of the New Brunswick university in 1885, and has been a missionary in India for the past five years.

THIS EVENING Rev. T. Aston-Binns, honorary secretary of the British and Foreign Bible society, London, will be tendered a reception in St. Andrews church. He comes to this city as a visitor to the auxiliary societies and as a representative of the parent society. All the city clergymen, are invited to be present. The chair will be taken at 8 o'clock.

A GOOD PERFORMANCE.—The performance given by the Japanese and comedy company in the Palace Rink last evening was one of the best in the variety line that has been seen here for some time. Every performer was deservedly encored and during the company's stay in this city they should be greeted by large audiences. Miss Kelly as a banjoist, and whistler can scarcely be surpassed while Kitty Sharp's step dancing was very cleverly executed and well received. Mr. Howlette the Chinese laundryman is perfectly at home on the slack wire. Howe, Wall and McLeod, the musical trio, were recalled several times and by the splendid playing became favorites. The Japanese juggler is a wonder.

IF YOU SMOKE cigarettes, you will find that the Richmond straight cut give the best satisfaction; if you are after a finely flavored cigar get the Garcia. Pace's mixture is the smoker's favorite.

THE EXHIBITION.

The Common Council to be Asked Once More for a Guarantee.

The citizens guarantee fund for holding an exhibition this fall now amounts to $2,125 and at the meeting of the directors of the exhibition association held yesterday it was decided to ask the council to provide a guarantee of $3,000, or a grant of $2,000 in cash.

The committee recommended that an exhibition be held but did so in a measure on the belief that a guarantee fund would be provided. W. M. Jarvis moved that in view of no grant from the provincial government and the common council for an exhibition during the present year, and the apparent want of any strong public feeling in favor of holding such exhibition, the directors regret that they feel unable to proceed further in the matter at present, but they desire at the same time to place on record their opinion in favor of holding such exhibition so soon as any reasonable prospect shall appear of sufficient support, and assistance to justify their proceeding with the work.

The motion was seconded by H. J. Thorne.

George Robertson moved an amendment that the directors of the association appoint a committee to call upon the common council and inform them that the association will hold an exhibition this fall, provided the council will make a guarantee of $3,000 or a grant of $2,000 in cash.

The Premiership.

TO THE EDITOR OF THE GAZETTE.

Dear Sir;—Permit me to express the pleasure and satisfaction that I felt in reading your article on Saturday evening relative to the selection of a successor to our late revered chieftain, in the Liberal-Conservative party.

I may claim that I fully share the sentiments you so clearly and vigorously expressed and I believe that your views will meet with the approval of a large majority of the members of our party throughout all Canada, who may happen to read them.

There is nothing unfair or illiberal in your statement of objection to Sir John Thompson as leader. British Protestants can justly claim that Romanists will receive equal rights at their hands, that is British Protestantism. It cannot however, be claimed on the other hand that Romanism or "Vaticanism", I use these appelations not disrespectfully, with the proud boast of "Semper Idem" can be so regarded by those whom it terms "heretics."

Your contrasting Sir Hector Langevin, one born in the faith, with Sir John Thompson, the convert, conscientious in in his motives though I believe the latter to be, is pregnant with great concern to this Canada of ours. It would be a dangerous experiment to place at the helm, the very wheel of the ship, one who, notwithstanding certain great intellectual gifts, is possessed of a peculiarly cold, unsympathetic temperament and who is, to a remarkable extent, the chosen friend and counsellor of the lofty prelates of an un-English church.

Again it should not be forgotten or lost sight of that Sir John Thompson proved a notable failure as leader of his, party in his own province of Nova Scotia in this, standing out in marked contrast to Sir Charles Tupper. I have said enough. Let this subject be well thought out of supreme importance as it is to the Haven.

Gladly joining hands with you, I am,

A JUNIOR LIBERAL-CONSERVATIVE.

DRAPED IN MOURNING.—The principal station houses along the line of the C. P. R. and that company's engines are draped in mourning in respect to the memory of the late premier.

THE ETTA STEWART.—Tug Dorcas is on her way from Halifax to tow the bark Etta Stewart, recently converted into a coal barge, to that port. The Stewart is to take in about 20 standard of deals for Halifax.

HAWKINS' DRAMATIC COMPANY.—Another large audience was present at the Institute last night to witness the second performance of "Captain Swift." The play gave ample satisfaction and delight as on its first presentation. Tonight another New York success entitled "Sealed Instructions" will be played. The same bill will be given tomorrow night.

PROMPT ACTION.—Alderman Chas. McLaughlan, Lloyd's agent, called upon Mr. George Robertson, president of the board of trade, this morning and drew his attention to the danger arising from the derelict schooner "Horn," last seen bottom up off Gannet Rock. Mr. Robertson at once telegraphed to the Minister of Marine suggesting that the S. S. Lansdowne should be sent to remove or sink the schooner.

DIED FROM HOME.—A despatch last night from Detroit, to Chief of Police Clark, announced the death at that place of Wm. P. Clark formerly of St. John. The chief made some enquiries and ascertained that the young man in question was a son of Mr. Goodham Clark late of this city. A brother is employed at Manchester, Robertson & Allison's, Geo. H. Clark. The remains will probably be buried at Detriot.

ROD MACDONALD of Halifax has sent from his nursery a magnificent floral tribute to Earnscliffe. It consists of a floral urn about three feet in heigth, the ground work consisting of Canadian maple leaves and Scotch heather surmounted by a beautiful combination of shamrocks, mayflowers, fleur de lys and roses. He also sent a pot of genuine Scotch heather to be planted over the premier's tomb.

MISS HITCHEN'S LETTER.—There were two annoying errors of the press in the letter of Miss Hitchens, which appeared in our issue of yesterday. In one place the word "arioso" was improperly spelled "arisso" and in another the word "ballad" appeared when it should not have been. The sentence on the 20th line "The Wren, Ballad," should have the word ballad omitted, it being intended for a heading and refating the explanation of that term which follows.

JOHN KEEPING, a Haligonian, engineer of a small boat engaged collecting lobsters from along the Newfoundland shore, and taking them to the factory somewhere on the west coast, is reported drowned. His wife keeps a boarding house for sailors in Halifax. A somewhat remarkable incident is that Mrs. Keeping's first husband, John Vautier, was drowned in just about the same place, and she was then left a widow with five children.

THEY DID NOT ELOPE.— John Donovan, an elderly man, applied at the police station last evening for assistance. He came in from Houlton, he said, with his grand daughter. They met a man inside the depot who volunteered to show them a cheap hotel. While the old man was getting some money changed the stranger and his grand daughter disappeared. Search proved that the girl had gone to The People's hotel, on Mill street, kept by one Wilson. The police authorities say that Donovan is not very strong minded.

Police Court.

Samuel Cook and John Burns, drunks, were fined $4 each.

Mary Godsoe, drunk, was fined $8.

Chas. McCarthy, charged with fighting on Smythe street, deposited $20 which was forfeited.

James Murphy, a lodger was allowed to go.

ALL CLIMO'S EMPLOYEES are art workers. Thus are obtained his splendid effects in photography. 85 Germain street.

BIG PRIZES.

NEW HAVEN, CT., June 9.—The fastest mile ever made on a bicycle in a competitive race was what W. F. Murphy of the New York Athletic Club placed to his credit at the spring meeting of the Connecticut division of the League of American Wheelmen on the Elm City Park track finishing third in a handicap race where the winner had a limit of 200 yards.

The winners time was 2:25-2-5, and Murphy's time 2:26-4-5, the first half being made in 1:12.

Murphy rode a pneumatic, and made a grand effort to win, and would have been successful in a few more yards. The finish was one of the prettiest sights ever seen at a bicycle tournament.

When the men turned in the straight Fred Catlin (the winner) and Fred Herman of Hartford, 180 yards, were having a great race, while Murphy, who had overhauled nearly all his field, was slowly but surely creeping to the front.

As the three leaders neared the wire the excitement was intense, the 3500 people encouraging the riders in every way. Herman worked hard to get into first place, but found young Catlin of the New Haven Club to be speedy and a stayer, Herman finishing right at Catlin's wheel. The winner received a perfection ovation.

The events, winners and prizes are as follows:

One mile novice, Safety—First prize, gold medal, J. M. Grant, Jr., of Hartford; time 2:56 1-5.

One mile novice, ordinary—First prize, gold metal, H. P. Greene, Yale, 2:57 2-5.

One mile Safety handicap—First prize, Victor Safety, Fred C. Catlin, 200 yds., New Haven, time 2m. 25 2-5s.; Fred Herman Hartford, 180yds., second; W. F. Murphy, scratch, New York, third.

THE NEW YORK LUMBER TROUBLES.—The New York lumber dealers on Monday opened their lumber yards and resumed business, employing only non-union men to do their work. It was thought that trouble would ensue, but up to Monday night the union men had made no interference and it was believed that the boycott had been successfully overcome. A letter received from New York today says that business is likely to run along smoothly for the rest of the season. This will be good news to those interested in the manufacture and handling of lumber here, and it is probable that the shipping of lumber for New York will be at once resumed.
