revolutionists learned that the Portu-guese fleet, assembled in Lisbon har-Troops March No.

quickly. Following the death of Bombarda, who was killed by an officer at the instigation, it is alleged, of the plericals, a mob tiffew a priest into the larger river. The police charged the many which and a regiment of infantry which and a regiment of infantry which appeared to be received by the resolutionary force soon will be sent out to repress minor disorders.

Notwithstanding this, the Republican should they be carried out there is bound to be the utmost difficulty in

which they had concealed in their houses for weeks.

Within half an hour Lisbon was in an uproar, the Republicans had railied behind their leaders and presented a united front to the Royalists, who were equally active in massing their forces. Couriers carried the news of the and telegraph wires had been cut or were in the hands of the revolutionists and the Loyalist troops prepared to de-fend the Necessidades palace. Within the palace the royal family

in terror, sought the bastions. The fleet in the hands of Republicans, began shelling the palace. The palace commander signalled to the harbon fortifications to open fire on the fleet. Suddenly the royal ensigns on the forts

in the revolution, to-day pledged its loyalty to the republic.

The strength of the Royalists cannot be ascertained at the present time. The latest refugees do not mention whether the garrisons at Elvas or Oporto are marching on Lisbon. The

The fighting continued intermittent-ly Wednesday, but increased as dark-ness fell, and throughout the night there was a continuous roar of artillery. The gun fire grew steadier and louder toward morning, the revolution

Shortly after daybreak Wednesday Lisbon, Oct. 6.—The provisional govment is furnity recovering allowed defenders were dead or dying, and the In addition to the warships and the Britain may interfere in behalf of the Royalists. It will be formally announced to-morrow that the existing treaties would be observed by the new regime, and in this way it is hoped that intervention may be avoided.

To this fact is attributed the light won the support of the Lisbon populace, although the traops in the provinces are reported as being loyal to Manuel. The provincial regiments, however, are handicapped because the however, are handicapped because the lines out of Lisbon and succeed in cutting in wires to various parts of the palace, the old staff having been shot away.

To this fact is attributed the light of Portugal.

Republicans here predict that if this is attempted, civil war will result. It is said Alfonso fears that the success of the Republican armies in Portugal will mean the overthrow of his power, and it is asserted that he has been aloust of Lisbon and succeed in from a new flagstaff on a dismantled section of the palace, the old staff having been shot away.

With all the excitement the Republicans have posted the light of Portugal.

Outbreak of Revolt.

A combination of circumstances rather than any detailed plan precipitated the coup d'etat of last Tuesday.

The plans for revolutionary action had been laid long ago but the time was not deemed rine. Down the country of the last ditch.

That Alfonso will pursue this course is not doubted, and it is therefore doubted, and it is therefore in order to fudged that he will assist Manuel with a strong Spanish force in order to frighten the Spanish Republicans into inactivity.

The Republicans are overland at the places were deposited, the art galleries and government buildings that escaped the ment buildings that escaped the spanish required at the places were deposited, the art galleries and government buildings that escaped the spanish republicans are overland at the places were deposited, the art galleries and government buildings that escaped the spanish required at the places were deposited that he will assist Manuel with a strong Spanish force in order to frighten the Spanish Republicans into inactivity.

The Republicans are overland at the places were deposited, the art galleries and government buildings that escaped the spanish requirements.

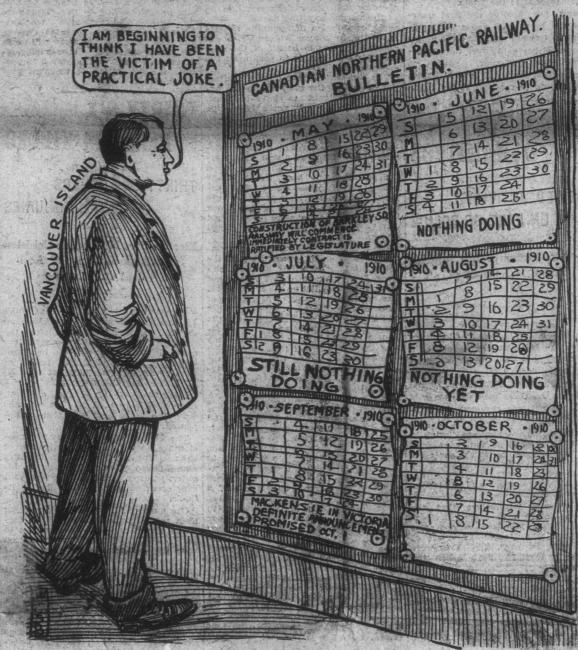

Similar conditions prevail in other cities. The Republicans have posted their flags everywhere and the police are busily engaged in tearing down.
