## WILL PREPARE

RUSSIAN WORKMEN WILL CHANGE TACTIC

dember of Council Admits Movement II. Been Severely Crippled By the Government.

St. Petersburg, Jan. 2, 2 p.m.-A gen al meeting of the workmen's counc' id delegates of all the proletariat c nizations has been in session secret since last night perfecting their fuprogrammes. All that is thus fa own that the planning to turn th niversary of January 22nd ("Re. inday"), when the most serious riot g in St. Petersburg occurred, into a ay of national mourning, during nich it is planned to make demon rations in memory of the "martyrs." ill be closed, and the street cars and ailroad services will be stopped. Re-niem mass will be celebrated and prossions, in which the workmen will ear crepe on their sleeves, will march rough the streets. No paper will be owed to appear except with black orders. It is proposed to make a g!ntic peaceful manifestation, but i ey attempt to carry it out the lead s fully understand that it is sure to ecipitate bloodshed on a large scale.

Not Discouraged. St. Petersburg, Jan. 4.-The general ceting of the workmen's council and representatives of the proletarie: anization which was held across he Finnish border lasted for 36 hours, urning only an hour ago.

The practical result of the meeting vas a confession that the government had proved to be too strong in its fight against the strikers, and that it would necessary to organize on a new pasis the revolution, to which the delegates at the meeting were committed it was admitted that the attempt to give battle to the government without having due preparations was a mistake and a complete change in tactics as decided upon.

A new council of workmen consisting of 150 members were elected. Similar Declares Fleet Was Prepared to Attack uncils will be organized everywhere ollowing which a general congress vill be called and an electorate plan of ttle against the government formuted. In the meantime the propaganof the agitators will be kept up especially in the army, in order to w that the proletariat organizations firmly resolved not to compromise ith the government. It was also deided not to take part in the elections r the douma.

MYSTERIOUS TRAGEDY. Coroner's Jury Will Probably Report That C. A. Edwards Did Not

Commit Suicide.

Newhaven, Conn., Jan. 4.-That C. A. Edwards, the New York business nan who was mysteriously shot while in bed at the home of his brother-inlaw, Chas. A. Hiller, did not commit suicide is expected to be the report made to the coroner's jury who have viewed the body. It will then rest with the coroner to determine the form of the death, and it is thought he will say Mr. Edwards was murdered. An official autopsy has not been held, and the coroner's inquest begun last night

had not been reopened at noon.

The Hiller homestead is entirely in charge of the coroner, and this noon workmen were ripping up drainage pipes and floors under the eyes of a squad of headquarters police. Coroner Max and the deputy coroner were in conference examining the evidence submitted last night. If the finding of murder should result from the inquest, the question which is expected to come up is that of a motive for the crime.

TEXADA MINES.

Prosperous Outlook Reported By Manager of Marble Bay Co.

Mr. Grant, manager of the Marble Bay Mining Company, in an interview which for the last three months has | in the Nanaimo Free Press, reports all the mining properties on Texada to be says that since the acquisition of

Mr. Grant considers Texada Island one of the richest mineral fields in ation from Foreign Minister Lamsdorff this afternoon of the statements conof each month.

A number of improvements have recently been made at the Crofton smelings, but all are in good shape, and

Texada island, says Mr. Grant, is viously in use having been replaced the ore is found at a good depth, and by 56-lb. steel; the grade from the 60- in order to successfully mine it, there is much preliminary work. The Marto the receiving bins has been re- ble Bay Company spent thousands of duced; more bins for the storage of ore | dollars on their mine before they realized a dividend, but are now in a fair way to reap handsome rewards for

As a careful student of British Colsuch material as concentrates, ore umbia conditions and particularly Vancouver island mining progress, Mr. Grant says that what has held the whole island back for a number of years is the headlong plunging made into mining ventures without figuring on difficulties to be met with, in other words money has been raised for British Columbia from the east and other sources by men who have jumped at the conclusion that they had a "sur thing" without figuring on how much they had to spend before being in a position to get ahead of the game. As a result capital has become leary of British Columbia mining investments and Vancouver island has suffered in consequence. On the other hand, there are splendid opportunities on Vancou ver island and in the archipeligo of smaller islands on its coasts providing capital is willing to spend a consider able amount of money to develop it To the company that is not afraid of losing a few thousands at the outstart and has recuperative powers to

keep at it, remarkable success is as-Capitalists are beginning to learn this fact now, and as a result much attention is being paid just at present to prospective properties on Texada of several new companies entering the field there, among others a company of wealthy Seattle men who are said to have a considerable amount of money

BUSCOMBE RE-ELECTED.

Mayor of Vancouver Gets Another Term-Charges Against Government Veterinarians.

Vancouver, Jan. 4.-Mayor Buscombe was re-elected to-day by acclamation. Serious charges were made against government veterinarians at last night's meeting of horse owners. It was alleged proper precautions were not being taken by the officials against the glanders epidemic, and resolutions were passed asking that the city be and the disease thoroughly wiped out.

-The members of Royal Arch Chapter recently took occasion to express their recognition of the services renderacting for Ryan, and Marvin Hart, who ed to Free Masonry by P. P. Bro. A. McKeown, by presenting him and Mrs. McKeown with two handsome chairs.
