

AS TO ARRANGEMENT OF EXHIBITION DATES

Are Aggrieved at Victoria's Attitude on the Subject-Meeting of Trans-

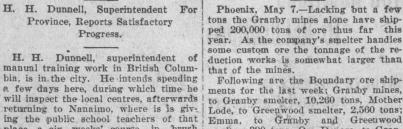

portation Committee.

When the executive of the Victoria Agri- the subjects, and were now instructing cultural Association appointed delegates to attend a meeting at New Westminster for The practical work of manual training attend a meeting at New Westminster for the purpose of endeavoring to come to some amicable arrangement for the dates of the fall fairs, it was not thought the step would be so far-reaching in its effects ever, reports that the intention of the as has been the case. The only Mainland New Westminster authorities is to estab-association that appeared to understand lish a centre in the Royal City at an the object of the local board of directors early date. He expects that operations in this matter was the Childwack organiza-tion, which supported Victoria's request next term. that Westminster agree to take the dates Immediately following those of the show is being evidenced in manual training. of that district. As has been previously As the funds necessary for the establish-stated, this received strong opposition ment of a practical centre were apparfrom Westminster and fell through, mak- ently not available, although there was ing it necessary for the local executive to select September 27th, 25th, 29th and 30th and the 1st of October, which brings the Nictoria show before that of the Royal ing to contribute anything towards the City. A complaint now comes from the inauguration of another centre on Van-Kamloops association, who, at a recent meeting, expressed themselves aggrieved at "the selfishness displayed by Victoria" could not see his way clear to do anymeeting, expressed themserves aggreeter at "the selfishness displayed by Victoria in the matter of arranging dates." This is contained in a letter to Secretary Swiner-fon from the secretary of the Kamloops abulity that a school will be formed in abulity that a school will be formed in the Coal City in the not very distant fu-

In reply, Mr. Swinerton intends sending ture. a communication to the Kamloops association explaining the circumstances as clear-KEUMMENUAIUNS ly as possible. He will point out that the meeting at Westminster was arranged simply for the purpose of endeavoring to come to a satisfactory agreement. The intention was only to make the shows come in rotation, which would be much more conwenient for the exhibitors of the Mainland, who would then be able to show at all the exhibitions without any trouble.

The work of collecting subscriptions for the Victoria exhibition is almost completed. ESQUIMALT LOCKUP There are only a few yet to hear from, and as far as can be ascertained the citizens have displayed more than usual generosity In their contribution towards the finances of the association. If the provincial gov-ernment can see its way clear to increase Needs Set Forth for New Building as an Its grant the financial success of the forthcoming show is assured. Even without this assistance, the subscriptions received will put the finances on a fairly satisfactory

Yesterday a meeting of the transporta committee was held at the offices of the secretary, there being a good attendance. The grand jury, in connection with the Assize court, made its presentment on The chair was occupied by George L. Courtney, traffic manager of the E. & N. railway, and besides him there were pres-ent Hamilton Abbott, of the C. P. R., C. S. Baxter and other practical business men.
