Mail records:

The Premier entered the hall during the progress of the speeches, and was received with prolonged applause. At the condition of the "working classes" throughout Canada is highly satisfactory, and that the great N. P. is the cause of it all.

and that, too, even after they have left justice. I have never replied to them or retorted on them. I have preferred to remember the old times when we worked together. I have preferred to remember too, that they were my fellow-countrymer and I have borne in silence their unjust attacks rather than retaliate. I have chosen to recollect their acts of friendship and co-operation rather than those of hostility and animosity. I have hoped that the day might come when they, or, if not they, at any rate my fellow-countrymen of -(Applause)-and I wished to put no obstacle whatever in the way of a reconcili draw, nothing to apologize for, nothing to excuse. (Renewed applause.) I frankly say to you, ladies and gentlemen, that hood in 1848, when my father was a lead er in public life, and spoke for justice and liberality towards those involved in the that there was then in the ranks of the Liberal party a great phalanx of Irish and French Roman Catholic Liberals. (Cheers.) They are large and general questions on which I trust you are informed. I would which led to the withdrawal of many of which led to the withdrawal of many of those warm friends. I have deemed them still the natural allies of the Liberals and hoped that the clouds of prejudice and distrust would roll away; that the hostile feelings engendered by misconception and misrepresentation on one side, by errors on the other, would disappear and that we should find ourselves once more in accord with our former friends (Cheers.) I have hoped it, not for the sake of my party only, but for the sake of my country too. I have felt that it was not well that there should be an enormous preponderance of one nationality or of on faith upon one side of the political field, marshalled there not on living issues, or on questions of principle, but
