will be held on Saturday. Buckboards  
in attendance from head of King St.

**Felix Tardiff**, of Northampton, Mass.,  
was at the Clifton a few days ago.  
He was here in search of old furniture  
and was successful in buying up a  
large number of chairs, tables, etc.,  
which had long passed the half century  
mark.

It is currently reported that steamer  
Prince Edward of the D. R. fleet  
has been sold to parties on the other  
side of the Atlantic, and that she is to  
sail Saturday, or as soon thereafter as  
she can be made ready.—Yarmouth  
Times.

**John Snider** last evening was on the  
530 trip of the Ludlow and on reaching  
the west side was riding up the  
wharf on his wheel. When near the  
toll house he swerved to avoid a team.  
The wheel struck an obstruction and  
the young man was pitched over the  
handle bars and over the edge of the  
wharf. He fell 15 or 20 feet to the  
mud.

A meeting of the board of works  
committee is called for eight o'clock  
this evening, when the matter of Sand  
Point dredging and also other ques-  
tions relative to the harbor will be  
taken up. Mayor Sears this morning  
drove to Lock Lomond to inspect the  
work there. It is understood that his  
visit, however, is of no particular im-  
portance.

A wheel of Frank Hamm's carriage  
was caught in the Main street  
tracks last night with the usual result,  
a broken rim.

A lady telephoned to the police sta-  
tion this morning that Peg-leg Nick-  
erson was out on the Main street  
road, near the graveyard. He was  
drunk, begging and using some very  
bad language.

**WALKED IN FRONT OF A STREET**  
**CAB.**

Last night a horse and carriage  
owned by Walter Saunders was left  
standing in front of a house on the  
City road. An street car No. 61 came  
along at a pretty good speed. The  
horse walked across the track in  
front of the car, which could not be  
stopped in time. The horse was  
knocked down and the driver, who  
was standing in front of the car. When  
assisted to its feet the animal was  
found to be cut about the legs, but  
otherwise uninjured. The harness or  
carriage were not the least dam-  
aged, while the car fender was badly  
twisted as a result.

## FOUND A SKELETON.

The workmen engaged in excavating  
at A. Isaacs' Princess street were  
started this morning when one  
of them unearthed a skeleton, which  
was claimed by many who saw it, to be  
that of an infant. The news of the  
find quickly spread about the city and  
there were rumors of a murder. A  
physician who happened to be driving  
by set all rumors at rest, and greatly  
relieved the minds of the men by in-  
forming them that their find was what  
was left of a dog, no doubt a pet that  
had at one time been given a burial.

## BAD RUNAWAY.

A very peculiar accident occurred on  
Wall street about noon, when an ice  
team belonging to the St. John Ice  
Company ran away and broke a tele-  
phone pole. The team was standing  
along the side of the street, while the  
driver was delivering a piece of ice,  
when the horses suddenly became  
frightened at an engine which was  
passing under the bridge, and started  
violently up the street. They had not  
gone far when the large stevedore fet-  
ter against a pole, snapping it in two  
pieces as if it were a pipe stem. The  
shock also broke the tongue and whif-  
frees of the stevedore. The wires at  
the top of the pole were all badly  
twisted, but otherwise no damage was  
done, as the horses were not scratched,  
and the stevedore was very little dam-  
aged.

## CRUELTY TO A HORSE.

The attention of the police was called  
to a teamster's cruelty yesterday,  
and it is possible that the man will be  
asked to court to answer the charge of  
ill-treating animals. He was driving a  
span of horses up Brussels street. The  
horses were struggling with a heavy  
load of laths which had been hauled in  
from the country. One of the horses  
had such a sore fore foot that it could  
hardly touch it on the ground, and  
each time it was put weight on the  
foot the horse's head would almost  
reach the ground. The driver sat on  
the heavy load as uncomplaining as could  
be and watched the agony that the  
horse was undergoing. The poor ani-  
mal was not fit to haul a light wagon,  
let alone a wagon loaded with laths.

**WENT TO SLEEP IN A FLOWER**  
**BED.**

In the police court this morning Jas.  
Harrington was fined eight dollars or  
two months in jail for being drunk.  
Mary Walsh, a middle-aged woman,  
not drunk yesterday and went to sleep  
in a King square flower bed last night.  
She was sentenced to a term of two  
months in the home of the Good Shep-  
ard.

**William Hayes**, an old man, was ar-  
rested yesterday for escaping from the  
alms house. It was the third time that  
Hayes had escaped and each time he  
informed the court that he left, be-  
cause he was ill. The magistrate said  
that a better watch should be kept over  
Hayes as he was an old man and it  
was not safe to have him running  
about. Hayes was sent back to the  
alms house.

## ANOTHER POSITION.

eau of the Currier Business University,

tive for the Earl Co. Ltd.

## KNIGHTS OF PYTHIAS

### WILL HAVE GALA DAYS

**Plans Completed for Next**  
**Week's Festivities.**

**Visit of Supreme Head of the Order and**  
**the Grand Lodge Delegates—**  
**Excursion, Banquet,**  
**Parades, etc.**

In Queen's Rink tonight Victoria and  
Cyrnet Companies of the Uniformed  
Knights of Pythias, will hold a  
joint drill in preparation for the  
special turnouts next week when the  
Grand Lodge of the Maritime Pro-  
vinces holds its annual session in Castle  
Hall, German street, and Supreme  
Chancellor Chas. Shively of Indiana  
visits the brethren.

It has been some years since the  
Knights were as active, and there is  
every prospect of a very enthusiastic  
and enjoyable two days commencing  
on the 28th. A generous sum will be  
expended in entertaining delegates to  
the Grand Lodge, and particularly the  
honored head of the Order.

The programme of festivities includes  
a grand ensemble of local and visiting  
Uniformed Knights on Tuesday short-  
ly after 2 o'clock in the afternoon.  
This will take place on King street  
east, where Commander-in-chief Shive-  
ley will formally inspect the fraternal  
soldiers, attended by his personal  
aide-de-camp and local officers.

A parade to Indian town will follow,  
city bands supplying music. An ex-  
cursion to a popular resort on the river  
is to take place, each Knight and Sir  
Knight being entitled to entertain two  
admission tickets. The number of ex-  
cursionists quite large. There will be  
a march back to the city from the boat  
landing.

Tuesday evening an elaborate and  
formal banquet is to be tendered the  
Supreme Chancellor, who is also Com-  
mander-in-chief of the U. R. in Fort  
Theatre assembly rooms. Covers will  
be laid for several hundred. As the  
dinner proceeds there will be orche-  
stral music, interspersed with vocal  
numbers. A round of highly interesting  
addresses is expected.

Pythians here are redoubting their  
efforts to ensure the complete success  
of their plans for entertainment, and  
tonight's drill in Queen's Rink will  
doubtless be well attended. In con-  
nection with the Grand Lodge pro-  
ceedings, which commence Wednes-  
day, after the excursion, banquet, etc.,  
will be the annual competitive drill. It  
is anticipated this season's manoeuv-  
ring will be particularly keen.

**DYKEMAN VS. GRANT.**  
An Interesting Case Decided by Judge  
Ritchie This Forenoon.

In civil court this forenoon Judge  
Ritchie delivered his decision in the ac-  
tion brought by Fred. A. Dykeman  
against J. McGregor Grant. It will be  
remembered that some four weeks ago  
Mr. Dykeman sued Mr. Grant for  
\$45.25. He claimed that Mrs. Grant and  
Miss Grant had purchased goods at his  
store, having them charged. The bill  
had been sent to Mr. Grant who re-  
fused payment, his contention being that  
his wife and daughter had no authori-  
ty to pledge his credit. He however,  
admitted liability to the extent of  
\$23.77 for goods bought by his wife.  
This amount he paid into court. There  
were also a number of credit slips in-  
volved, which had the word "paid"  
written on them.

those who came as an experi-

of value.

There were those—and these  
our old customers—who came as  
confidently as they would go to a  
bank—sure of getting a full
