Amherst, N. S., Nov. 5.—The much talked off ten-mile race was successfully pulled off on the Ramblers' track this evening and was witnessed by fully 2000 people. There were five starters in the race, Cameron, the pride of Amherst, and champion of the Maritime Provinces room place, the lead finally being severed by Rogers and Holmes, of the Crescents, Halifax. Paul, of Windsor, who made the sensational run in the Halifax Herald road race, and Robert Paul, Traro's speedy Indian. The latter handicapped by an injury received at Halifax.

Much regret was expressed over the absence of Sterling, the popular St. John runner, who has many admirers in Amherst. The race was started shortly after 8 o'clock and Cameron at once took the lead which he mainsensational spurts at intervals during the race Cameron lapped Halmes on the twelfth, the latter dropping out shortly after.

E. S. S. Co.'s Winter Schedule.

Commencing on Wednesday, November 10, the Eastern Steamship Company will inaugurate their winter schedule for sailings. After that date there will be two sailings each week, the service being performed by the big turbiner Governor Cobb. She will leave St. John for Boston on Wednesdays at 8 a. m., calling at Eastport and Portland, and on Saturdays at 7 p. m. for Boston direct. Sailings from Boston will be made on Mondays and Fridays at 9 a. m. On the Monday trip she will call at Portland. Eastport and Lubec, and on Fridays will stop at Eastport only. The arrangement for having a Saturday night direct trip from St. John will doubtless be appreciated by the travelling public, as it enables passengers to reach Boston on Sunday afternoon.
