

SACKVILLE

Sackville, April 12.—Miss Annie Ford, who has been soloist and choir leader of Knox Presbyterian church, Campbellton, N. B., has been granted a six weeks' leave of absence, in order that she may take a special course in vocal at the Boston Conservatory of Music. Miss Ford spent a couple of days here the first of the week with her parents, Mr. and Mrs. Alex. Ford, before leaving for Boston.

Prof. Line of Mount Allison spent Sunday in Moncton and occupied the pulpit in Central Methodist church. Mrs. Ketter of Albert, Albert Co., spent the week-end here, guest of her daughter, Mrs. H. T. Knapp.

Mrs. J. F. Hart was hostess at a couple of tables of bridge last Monday evening in honor of Miss Mary L. Smith of Bedford, N. S. The prize was won by Miss Tweedie, the consolation falling to Miss Fyde. The guests included Mrs. C. W. Fawcett, Mrs. Robert Duncan, Miss M. Smith, Miss Fyde, Miss Tweedie and Miss Elizabeth McLeod.

Hostesses at this week's L. O. D. E. tea on Tuesday afternoon were Mrs. Freeman-Lake, Miss Tweedie, Mrs. S. Taylor and Miss Muriel Taylor.

Miss Lillian Hart, who has been visiting her parents, Rev. and Mrs. T. D. Hart, has returned to Kentville.

The annual business meeting of the One-on-a-While Club, held Friday afternoon at the home of the vice-president, Mrs. S. W. Hunton, closed the fifth season of the club's existence. Mrs. Gronlund, who has been the unanimous choice of the members as president during the past three seasons, was in the chair. An interesting feature of the meeting was the presentation of an initiated fountain pen, as a souvenir from members to Mrs. Gronlund who is soon to leave Sackville for Toronto. In making the presentation Mrs. Hunton very truly voiced the sense of loss and genuine regret among the members at Mrs. Gronlund's departure. She was sure it would be difficult for the club to find a successor who would so capably fill the position.

Replying to the address of appreciation, Mrs. Gronlund spoke of the pleasant memories she would carry away with her of the friendships formed, and the loyalty and support of the members at all times freely given her as presiding officer.

The election of officers for the coming season was by closed ballot, and resulted in the practically unanimous choice of the following officers:

President—Mrs. S. W. Hunton.

Vice-President—Mrs. John Hammond.

Mrs. H. H. Johnson has been spending a few days in Oxford, N. S., guest of friends.

Miss Louise Morton of the Normal School, Fredericton, spent the Easter holidays with her parents, Mr. and Mrs. G. T. Morton.

Lieut. Fred Reid, who has been visiting friends in town, has returned to St. John.

Miss Kathleen Smith, teacher at Mount Allison Conservatory of Music, has very kindly donated the sum of ten dollars to the Lord Sackville Chapter, Daughters of the Empire, which they appreciate very much.

Mrs. Rodd McDonald, who has been visiting her sister, Mrs. Desbarres, has returned to her home in Halifax.

Mrs. H. C. Reed was hostess at a very enjoyable dinner party last Thursday evening.

Miss Tweedie entertained at a couple of tables of bridge on Tuesday evening in honor of Miss Mary L. Smith of Bedford, N. S., who spent the Easter holidays in town, guest of her friend, Miss Fyde. The prize was won by Miss Smith. Those present were Mrs. F. B. Black, Mrs. Freeman-Lake, Mrs. Robert Duncan, Mrs. C. W. Fawcett, Mrs. Fritz Read, Miss Smith and Miss Fyde.

Mr. H. E. Fawcett and Mr. Herbert Fawcett spent Tuesday in Moncton.

Mr. Kenneth Dawson of Halifax spent the week-end in town guest of friends.

Miss Bess Carter spent the week-end in Amherst, guest of Mrs. W. Tennant.

On Friday, March 29th, a biology party from Mount Allison University, conducted by Prof. J. D. Ives, visited a maple woods near Macaan, N. S. Though the making of maple sugar had not begun, a great number of trees had been tapped and the sap had begun to flow, some of which the party tried to evaporate to syrup, but on account of the limited time at their command, they were not able to obtain the finished product. Nevertheless through the kindness and thoughtfulness of Mr. H. J. Atkinson and the Misses Atkinson a pleasant time was made possible for all, and those who so desired were enabled to gather a very comprehensive knowledge of making maple syrup and maple sugar.

The day itself was superb and the sleigh ride to and from the camp enabled one to enjoy it to the full. The following comprised the party: Mr. Tennant.

Nickerson, Miss Ruth Matherson, Miss Winnifred McFarlane, Miss Helen McMillan, Miss Beryl Moore, Prof. P. R. Perkins, Miss Helen Plummer, Miss K. Rand and Miss Mildred Smith.

Mr. Russell Cahill spent the week-end with Mr. Reginald Murray, Sheldiac.

W. Atkinson, who has been spending a few days at his home in town, returned to Halifax on Sunday.

The Boy Scouts gave a pleasing entertainment in the Imperial Theatre, Wednesday evening. The program consisted of choruses, gymnastic exhibitions, camp fire scenes, etc., all of which were well staged and received generous applause. There were also several recitations and two or three humorous skits, which were not at all bad. During the evening Mr. E. B. O'Leary, representative of the Boy Scout movement, gave an interesting account of the organization and threw several pictures on the screen, showing what the Boy Scouts are doing all over Canada. On the whole the entertainment reflected a good deal of credit upon the boys.

Dr. E. M. Copp and family arrived home last week from New York, where they have been spending the greater part of the winter.

Mr. W. Matthews, of Springfield, N. S., who has been accountant at the Royal Bank here, left recently for St. John, having enlisted in the 9th Siege Battery. He has the good wishes of his many friends in Sackville.

Mr. C. B. Richardson returned to Halifax on Sunday after spending the past week at his home here.

Messrs. Cecil and Harry Oulton of Moncton were in town Sunday.

The April meeting of the W. M. S. held in the church school room on Tuesday afternoon was well attended and after the routine business and election of a delegate to the Branch, which meets in St. Stephen in June, the Easter program prepared by Mrs. Hunton and Mrs. Desbarres was presented.

Mrs. Thomas was heard in an interesting reading, Mrs. Line followed with a solo and Mrs. Thomas Murray gave a reading in keeping with the subject, "The Easter Story." A responsive reading, "The Triumph of Life," interspersed with Easter hymns. The members repeated in unison the Missionary creed. Two hymns were sung while the offering was being taken, which amounted to over fifty-four dollars. The Doxology was sung and Mrs. T. D. Hart closed the service with prayer.

Mrs. E. S. Baines has accepted the position of organist of the Sackville Presbyterian church.

Miss Hazel Tingley spent the holidays at the home of her uncle, Mr. A. J. Tingley, Moncton.

The annual meeting of the Country Club was held Monday when the following officers were elected: President, A. W. Bennett; vice-president, Prof. W. M. Tweedie; sec.-treas., Thomas Murray; directors, H. C. Read, H. M. Wood and C. W. Fawcett.

Dr. H. W. Snow is spending a few days in Moncton.

Mrs. G. H. Mackenzie entertained at a very delightful chain tea on Wednesday afternoon, in aid of the W. A. of St. Paul's church. Mrs. H. C. Read presided over the daintily appointed tea table and had as assistants Mrs. Frank Knapp and Miss Helen Vigie. Among those present were Mrs. Wiggins, Mrs. Robert Duncan, Mrs. C. W. Knapp, Mrs. J. F. Allison, Mrs. S. Taylor, Mrs. Henry Fawcett, Mrs. E. P. Smith, Mrs. A. W. Bennett, Mrs. A. Anderson, Mrs. W. Todd, Mrs. White, Mrs. John Ford, Mrs. H. E. Fawcett, Mrs. Fritz Read, Mrs. H. E. Fawcett, Mrs. Thorne, Mrs. Frank Harris, Mrs. Fred Fisher, Mrs. P. Hanson, Mrs. Freeman-Lake, Mrs. George Peters and Miss Fyde.

Mr. and Mrs. Edgar Hewson of Amherst, spent Wednesday in town, guests of Rev. and Mrs. Wigle, Mount Allison Ladies' College.

ANGER LURKS IN EVERY ONE OF US

We Are As Full of Deadly Poisons As a Germ Laboratory.

AUTO-INTOXICATION OR SELF-POISONING

FRUIT-A-TIVES Absolutely Prevents This Dangerous Condition.

The chief cause of poor health is our neglect of the bowels. Waste matter, instead of passing from the lower intestine regularly every day, is allowed to remain there, generating poisons which are absorbed by the blood.

In other words, a person who is habitually constipated is poisoning himself. We know now that Auto-intoxication, due to non-action of the bowels, is directly responsible for serious kidney and bladder troubles; that it weakens the stomach, causes indigestion, loss of appetite and sleeplessness; that chronic rheumatism, gout, pain in the back, are relieved as soon as the bowels become regular; and that Pimples, Rash, Eczema and other Skin Affections disappear when "Fruit-a-tives" are taken to correct Constipation.

"Fruit-a-tives" will protect you against Auto-intoxication because this wonderful fruit medicine acts directly on all the eliminating organs.

50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

Latent sacrificial qualities of the life have been revealed in line with the teaching of Jesus. Even as the Son of Man came not to be ministered unto, but to minister, and to give His life a ransom for many.

Preceding the sermon the pastor made fitting reference to the departed hero, who in his youth had united with the church and had since lived a consistent life and died a noble death.

The choir softly rendered "Loved Ones Are Waiting," which was particularly appropriate on the occasion. The hymns "Jesus While Our Hearts are Bleeding," and "Lead Kindly Light," were also rendered during the service and at the close the large congregation remained devoutly standing while "The Dead March" was played by the organist.

Mr. and Mrs. J. P. McAuley left on Wednesday for an indefinite stay in Souris, Man., where Mrs. McAuley's sister, Mrs. John Kinsman and Mr. Kinsman reside. Mr. and Mrs. McAuley, who are deservedly popular, have been the recipients of many regrets at their removal, even if only temporarily, from the village, where they have been very

prominent in social and church circles. On the eve of their departure Mrs. McAuley was waiting on by her Sunday school class of junior young ladies and presented with a beautifully bound Bible. The class, consisting of Misses Evelyn Erbe, Alva McKnight, Pearl Gaudin, Helen Jones, Mildred Cripps and Gertrude Manchester, called at her home and after the usual formalities, Miss Pearl Gaudin read an appropriate address and Miss Helen Jones gracefully made the presentation. After a pleasant social hour the girls reluctantly bade farewell to their gracious teacher and returned to their homes.

Mr. McAuley, who has been a commission merchant, doing business for Jones Bros., in St. John, enjoys the esteem of many friends in that city as well as here, which was evidenced on Saturday when in the country market he was presented with a valuable travelling bag and \$25 in gold.

Miss Mrs. E. L. Corbett of St. John will occupy the pretty home of Mr. and Mrs. McAuley during the summer months.

Rev. J. B. Ganong of St. John was a guest of Rev. L. J. Tingley and Mrs. Tingley on Saturday last.

Mrs. James S. Secord and Mrs. Henry Parlee spent the week-end in St. John.

Miss Margaret Johnston spent the week-end at Parleeville, guest of Mr. and Mrs. Ora Mann.

John B. Armstrong came home from Sheldiac to spend the week-end with his family here.

Rev. L. J. Tingley went to Rothesay on Saturday where he took the service in the Baptist church there.

Mrs. E. L. Corbett of St. John was the guest of relatives here last week. Miss Ethel Wright spent the week-end with her parents, Mr. and Mrs. L. V. Wright.

Mrs. Murray Gilchrist was a recent visitor with friends in St. John. Mr. and Mrs. Percy Pitt, St. John, spent the week-end with Mrs. P. Ogilvie.

W. H. Marks spent Tuesday in Sussex.

Mrs. L. H. Jewett entertained on Friday afternoon at her home, the Methodist parsonage, when the guests included the members of the Methodist Missionary Society in connection with the church. Afternoon tea was served and delightful social time enjoyed.

Mr. and Mrs. Fred Smith left on Monday for their home in Calgary, after a few months visit in their native province.

Mr. and Mrs. Smith have many relatives and friends here, who have enjoyed their visits and were loath to bid them good-bye.

Many friends will be gratified to know of the steady improvement in the condition of Mrs. Richard Erb, who has been so critically ill, and has now sufficiently recovered to enable her to dispense with the services of a professional nurse, and hopes soon to return with her husband to their home in Calgary.

Mrs. J. B. Doherty has returned to St. John after a visit with her mother, Mrs. Henry Parlee.

Dunlop "Gibraltar RedSpecial"
Frictioned-Surface Transmission Belting

A Worthy Product
Years of careful study of the high-power belt problem have enabled Dunlop Laboratory experts to create "Gibraltar RedSpecial" Belting, the original Red Face Rubber Belting of Canada—a product worthy of the Dunlop name and of the quarter-century record of success back of them.

"Gibraltar RedSpecial" Virtues Are Real
Dunlop "Gibraltar RedSpecial" Belting is to-day widely used in a multitude of ways in the many varied industries in this country. It owes its success, not to any illogical deductions or fantastic analyses, but to the simplest causes—causes so

Permanent Elasticity Means "Life" in Belting
In producing this new, this original, this master, red belt, our object has been to have the friction cost of rubber between the plies such as will retain its life indefinitely, and to have a quality of rubber

That "Friction Full"
When you are informed that such-and-such a belt has a "friction pull" of abnormal pounds, do not imagine that you are getting a quality friction. What you have to secure in a belt is a friction full of elasticity. These must be between the plies of duck only a certain class of rubber to give uniform strength and pliability.

Resilient Quality Must Not Be Sacrificed To Excess of Friction Strength
To obtain high figures, such as referred to above, in belt frictions you have to take away from the elasticity of the friction: hence, there is a happy medium, and this medium we have obtained through our laboratory experts. It ensures for

Universal Recognition of "Gibraltar RedSpecial"
To cite the names of users of this famous, red frictioned-surface belt would necessitate the use of much space. We have on file recommendations from almost every type of industry requiring "Gibraltar RedSpecial" Belting in widths varying from 1 1/2" to 48". These testimonials are available for your perusal at any time.

The Original "Red"
"Gibraltar RedSpecial," as noted previously, is the Original Red Rubber Belt—and like most things that are original, its success is of the kind that endures.

File The Bill
"Gibraltar RedSpecial" Belting is to be found in practically every industry in Canada, and if it is Power Speed and Service that you want, when it is "Gibraltar RedSpecial" Frictioned-Surface Belting that you require for your work.

Duck Finest Obtainable, Made to Highest Specifications
A highly important feature of "Gibraltar RedSpecial" is the duck which enters into its construction. Only the finest quality of specially selected duck, having the proper tensile strength in the right direction, is used. And this, in combination with a superior rubber friction between the plies, ensures absolute uniformity of service.

Fill The Bill
"Gibraltar RedSpecial" Belting is to be found in practically every industry in Canada, and if it is Power Speed and Service that you want, when it is "Gibraltar RedSpecial" Frictioned-Surface Belting that you require for your work.
